Note:

- (i) No request for extension of due date will be considered under any circumstances.
- (ii) No sub-contracting is allowed with regard to installation, commissioning, warranty maintenance and after sales service. This is the sole responsibility of the Principals'/their authorized agents.
- (iii) Please do not insert ‘Commercial Bid’ (prices quoted) in the technical bid envelope. If the price quoted is submitted with technical bid the tender will be rejected.

7.6. IIT Jodhpur may issue corrigendum to tender documents before due date of Submission of bid. The bidder is required to read the tender documents in conjunction with the corrigendum, if any, issued by IIT Jodhpur. The bidder is not supposed to incorporate the amendment in the body of the tender document

7.7. Terms of the Technical Committee

7.7.1. On the due date the Technical bids will be opened and referred to the Technical Committee which is duly constituted by the Director, IIT Jodhpur. The committee will go through the technical aspects of the tender and recommend short listed firms. The recommendation of the Technical Committee is the final and binding on all the parties. The Technical Committee may visit the manufacturing site to assess the capabilities to manufacture the tendered items as per the specifications.

7.7.2. The technical evaluation will be an assessment of the Technical Bid. IIT Jodhpur representatives will proceed through a detailed evaluation of the Technical Bids as defined in Schedule of requirements, specifications and allied technical details, in order to determine whether they are substantially responsive to the requirements set forth in the tender. In order to reach such a determination, IIT Jodhpur will examine the information supplied by the BIDDERS, and shall evaluate the same as per the specifications mentioned in this tender.

7.7.3. The Technical Committee may formulate evaluation criteria in addition to the specifications and requirements indicated in the tender, in the interest of IIT Jodhpur, and this criteria/recommendation will also form a part of short-listing of the firms.

7.7.4. The Technical Committee will examine all the Technical aspects of the bids received. Further, the Technical Committee may seek additional information from the existing

users at IIT Jodhpur, or from other Institutes and also call for technical presentations from the BIDDERS if it is required so.

- 7.7.5. The information received and the bids already submitted together will be examined with reference to the tendered specifications and evaluation is made by the Technical Committee.
- 7.7.6. After the technical evaluation is completed and approved, IIT Jodhpur shall inform to the BIDDERS whose bids have been rejected technically with the reasons for rejection on e-Procurement Portal (<https://eprocure.gov.in/eprocure/app>).
- 7.7.7. The successful BIDDERS will be informed regarding the date and time of commercial bid opening.
- 7.7.8. The purpose of obtaining two bids (technical and commercial) is to evaluate all the firms on technical basis with reference to the tendered specifications, performance of similar Solutions/Applications elsewhere, obtaining users views with reference to the earlier supplies. This will enable the technical committee to arrive at a fair recommendation in the interest of the organization.
- 7.7.9. In the event of seeking any clarification from various BIDDERS by IIT Jodhpur, the BIDDERS are required to furnish only technical clarifications that are asked for. No amendment to commercial bid will be entertained at that stage. In case if a BIDDER fails to quote for a particular item it amounts to non-compliance and hence such bid will not be considered for further evaluation. Further during this process if any BIDDER indicates the price during the clarification such bids also will not be considered for further evaluation.

7.8. **EVALUATION CRITERIA**

The evaluation criteria will be as given below:

Evaluation of technical bid as per eligibility criteria and technical specification mentioned in tender along with supporting documents.

- 7.8.1. Even though any bidder may satisfy the above requirements, he/she would be liable to disqualification if he/she has:
 - (i) Made misleading or false representation or deliberately suppressed the information in the forms, statements and enclosures required in the eligibility criteria document.
 - (ii) Record of poor performance such as abandoning work, not properly completing the contract, or financial failures/weaknesses etc.

7.9. **BID EVALUATION**

Based on results of the technical evaluation IIT Jodhpur evaluates the Commercial Bid of those Bidders who qualify in the technical evaluation.

a) IIT Jodhpur shall correct arithmetical errors on the following basis:

- (i) If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit

price, in which case the line item total as quoted shall govern and the unit price shall be corrected.

- (ii) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
 - (iii) If there is a discrepancy between words & figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.
- b) The vague terms like “packing, forwarding, transportation.....etc. extra” without mentioning the specific amount/percentage of these charges will not be accepted. **Such offers shall be treated as incomplete and rejected.**
 - c) After arriving at final pricing of individual offers of all the short listed firms, the lowest firm will be awarded with Contract/Purchase Order.
- 7.10. The Director, IIT Jodhpur, reserves the right to accept the offer in full or in parts or reject summarily or partly.
