TENDER DOCUMENT

TENDER FOR SUPPLY & INSTALLATION OF

3-D Printer Machine

UNDER

TWO BID SYSTEM

Indian Institute of Technology Jodhpur
Old Residency Road, Ratanada, Jodhpur – 342011, Rajasthan
Phone: 0291- 2449011, email: sps@iitj.ac.in

Dated: January 18, 2018

Notice Inviting Tender No. : IITJ/SPS/ME/2017-2018/38

Sealed tender invited on behalf of the Indian Institute of Technology (IIT), Jodhpur from the Original Equipment Manufacturer or their authorized dealers for the **Supply & Installation of 3-D Printer Machine** in two-bid format for the laboratory of the institute as per the specifications in **Annexure-I** in two bid system. The tender document can be downloaded from the Institute website at URL Link: <http://www.iitj.ac.in> or from Central Public Procurement Portal link: <https://eprocure.gov.in/epublish/app>.

Schedule	
Date of Issue/Publishing	January 18, 2018
Last Date and Time for submission of Bids	February 08, 2018 03:00 PM
Date and Time of Opening of Technical Bids	February 08, 2018, 04:00 PM
Tender Fee	Rs. 500/- (For Tender Fee)
EMD	Rs. 1,00,000/- (For EMD)
No. of Covers	01
Cover heading	The cover containing the quotation should be subscribed as Bid for Supply & Installation of 3-D Printer Machine.
Bid Validity days	180 days (From last date of opening of tender)
Address for Communication	The Assistant Registrar (Stores & Purchase), IIT Jodhpur

2. Tender Fees and EMD:

- i. Tender Fees & EMD to be submitted in shape of DD from any commercial bank drawn in favour of the Director, IIT Jodhpur as mentioned against the equipment together with the technical bid, in the absence of which the price bid, if any, will not be opened under any circumstances.
- ii. The firm(s) who are registered with the National Small Industries Corporation (NSIC) / or Small Scale Industries (SSI) for the subjected goods are exempted to furnishing the EMD and tender fee. Self-attested photocopy of the valid registration certificate must be enclosed with the technical bid.
- iii. The demand drafts for earnest money deposit & tender fee must be enclosed in the envelope containing the technical bid. Any technical bid is found without the

demand drafts of earnest money deposit and tender fee will be rejected. The Institute will not be liable to pay any interest on such an amount. The earnest money deposit shall be forfeited, if the tenderer withdraws its bid during the period of tender validity.

- iv. The earnest money deposit of the tenderer, whose tender has been accepted, will be returned on the submission of the Performance Security. Earnest money deposit of the successful tenderer shall be forfeited, if it refuses or neglects to execute the order or fails to furnish the required performance security within 70 days of issue of Purchase Order.
- v. The EMD shall be refunded to the unsuccessful bidders after finalisation of the quotation. In case of successful bidder it will be paid against performance bank guarantee.

3. **Two Bid System :**

- i. Technical bid consisting of all technical details along with commercial terms and conditions and EMD; and
- ii. Financial bid indicating item-wise price for the items mentioned in the technical bid.
- iii. Technical bid and financial bid should be sealed in separate covers duly superscribed and both these sealed covers are to be put in a bigger cover which should also be sealed and duly superscribed as **"Technical Bid for the supply of installation of 3-D Printer Machine" due on February 08, 2018, 03:00 PM.** Technical bids shall be opened at the first instance and evaluated by technical committee. At the second stage financial bids of the only technically qualified bidders shall be opened for financial evaluation and ranking before awarding the contract. Mixing price bid with technical bid will disqualify your bid for further evaluation.

4. **Submission of tender:**

Offers addressed to the 'Assistant Registrar (S&P), IIT Jodhpur' and valid for 180 days (From last date of opening of tender) should reach the **Office of Assistant Registrar (S&P), IIT Jodhpur, NH-65, Nagaur Road'** on or before the last date and time. Tenders received late shall not be considered.

5. **Bidding:**

- i. Either the Indian agent on behalf of the Principal/OEM or Principal/OEM itself can bid.
- ii. If an agent submits bid on behalf of a Principal/OEM, the same agent shall not submit a bid on behalf of another Principal/OEM in the same tender for the same item/product.
- iii. All offers other than those from the Principal/OEM should be supported by an authority letter from the manufacturer authorizing the supplier to tender on their behalf. In case of manufacturer a certificate or a copy thereof to the effect that the bidder is a manufacturer of the equipment must be accompanied with the technical bid prepared as per '***Annexure-II***'.

- 6. Opening of Bids:**

Technical bids will be opened as per the schedule in the presence of bidders or their authorized representatives whosoever may wish to attend. In case the due date of receipt/opening of the quotation/s (technical/price) is declared a holiday in the Institute, then, the due date of receipt/opening of the quotations shall be the next working day at the same time.
- 7. Rejection of Bids:** Canvassing by the Bidder in any form, unsolicited letter and post-tender correction may invoke summary rejection with forfeiture of EMD. Conditional tenders will be rejected. Non-compliance of applicable General Information as well as compliance of Technical Specification in **Annexure-I** and Compliance Sheet in **Annexure-VI** will disqualify your Bid.
- 8.** Bids of debarred/blacklisted firms will not be considered for evaluation. The firms must submit the declaration in format in **Annexure-V**.
- 9. Price Bid:**

Price bid should be prepared as per '**Annexure-IV**'.
- 10. Rates Comparison:**

Bidders are requested to send their rates (inclusive of transportation, loading, unloading, GST etc, nothing extra will be paid and free delivery and installation) on FOR, IIT Jodhpur, Karwad, NH 65, Nagaur Road basis in case of indigenous items and on FOB/FCA basis in case of imported items with separately mentioning CIF/CIP charges. Rates comparison will be made on Net Price (Including Freight/Insurance/Installation/Taxes/Duties etc.) if offers are received both for indigenous and import items. If offers are received only for import items then comparison will be made on FOB/FCA basis. Rates of available foreign currency will be taken from RBI website as on the opening of the technical bids for the purpose of conversion in Indian rupees.

AMC/CMC charges will not be included for the evaluation of the commercial bids.
- 11. Spares:**

The spare parts/wear & tear consumables, if any, required for trouble free operation of equipment to be quoted separately giving the full nomenclature, rate, quantity and shelf life of each item.
- 12. Indigenous items:**

The items which can/are to be provided indigenously may be listed separately.
- 13. Parts of Equipments:**

Where the equipment is composed of several subunits/components, the rate should be quoted for each subunit/component. The Institute reserves the right to increase or decrease the number of subunits/ components and number of equipment according to its requirements. The rates in ambiguous terms will render the quotation liable to rejection. The words "Not quoting" should be clearly written against any item of equipment for which the tenderer is not quoting.

14. Award of Contract:

After due evaluation of the financial bid(s), the Institute will award the order to the lowest evaluated responsive tenderer (hereinafter referred to as the “Supplier”). *If required order may be placed for the less quantity.*

15. Performance Security:

After the award of work, the supplier shall be required to submit the performance security in the form of irrevocable bank guarantee in the prescribed format (**Annexure-III**) issued by any Nationalised/ Scheduled Bank / or Fixed Deposit Receipt, for an amount equal to the 10% of order value, within 60 days of issue of Purchase Order and **it will be kept valid for a period of 60 days beyond the date of completion of warranty period. Warranty Period will be commenced from the date of the installation of the supplied item. Hence, be careful at the time of calculation of the validity date of Performance Bank Guarantee.**

16. Payment Terms:

Payment will be made to the supplier through following modes.

- i. **Indigenous goods:** NEFT/Cheque/Demand Draft: 90% payment will be made within 30 days from the date of receipt of material at IIT Jodhpur and balance 10% after successful installation of the equipment and on the submission of performance bank guarantee valid for warranty period + 2 months.
- ii. **Imported goods:** Letter of credit/Telegraphic Transfer 90% payment will be made through LC/TT/SD and balance 10% after successful installation of the equipment and submission of performance bank guarantee for 10% of order value, either by the principal company or by their Indian agent valid for warranty period + 2 months. Bank charges occurred outside India will be borne by the beneficiary.

17. Delivery & Installation:

- i. All the goods ordered shall be delivered and installed at Permanent Campus of the Institute, Karwad (NH-65), Nagaur Road, Jodhpur, within **8 weeks** from the date of issue of the purchase order/ date of opening of Letter of Credit. All the aspects of safe delivery and commissioning shall be the exclusive responsibility of the supplier. If the supplier fails to deliver and commissioning of the goods on or before the stipulated date, then a penalty at the rate of 1% per week of the total order value shall be levied subject to maximum of 10% of the total order value. The delivery must be completed within this specified period. The Purchase Order/Supply Order/ Import Order is liable to be cancelled, if no extension for delivery period is sought before the expiry of delivery period or suitable penalty will be impounded. Delivery should be done after intimation by the Institute.
- ii. **Satisfactory Installation:** Satisfactory installation / commissioning and handing over of the equipment mean the faultless functioning of the equipment for a minimum period of 30 days after satisfactory installation.
- iii. **Extension of Delivery & Installation Period:** If the supplier would unable to complete the project / order within the stipulated time, for which the supplier is responsible, it is required to request for the extension of the delivery period, it

may be extended with the imposing of the liquidated damages.

In case the supplier would fail to complete the order within the stipulated time, Institute reserves the right to cancel the contract / order and performance security / EMD may be forfeited.

18. Training of Personnel:

The supplier shall provide the technical training to the personnel involved in the use of the equipment at the Institute premises, immediately after completing the installation of the equipment at the company cost.

19. Site Preparation:

The supplier shall inform to the Institute about the site preparation, if any, needed for the installation of equipment, immediately after the receipt of the purchase order. The supplier must provide complete details regarding space and all the other infrastructural requirements needed for the equipment, which the Institute should arrange before the arrival of the equipment to ensure its timely installation and smooth operation thereafter.

The supplier shall visit the Institute and see the site whether the equipment is to be installed and may offer his advice and render assistance to the Institute in the preparation of the site and other pre-installation requirements.

20. Merger / Acquisition of Foreign Principal:

In case of merger of Foreign Principal with another Firm or acquisition of Foreign Principal by another firm, it shall be obligatory for the New Entity so formed after the merger of the Acquiring Firm, as the case may be, to take over all the duties and obligations / liabilities of the Foreign Principal and the New Entity / Acquiring Firm would *ipso facto* become liable for all acts of commission or omission on the part of original Foreign Principal as well as Indian Agent.

21. Change of Indian Agent:

In case the Foreign Principal changes in Indian Agent then it shall be obligatory for Foreign Principal to automatically transfers all the duties and obligations to the New Indian Agent, failing which the Foreign Principal would *ipso facto* become liable for all acts of commission or omission on the part of New Indian Agent.

22. Service Manual/Circuit Diagram

It is specifically required that the bidders will supply all the operating & service manuals and circuit diagrams along with the equipment.

23. Guarantee / Warranty:

i. Three year warranty has to be provided by the firm from the date of the satisfactory installation / commissioning of equipment against the defect of any manufacturing, workmanship and poor quality of components. In case, there is any variation in the warranty as per the specification of the item equipment, the warranty as specified in the specifications shall be final.

- ii. In case, supplier fails to repair / or rectify the equipment during the warranty / guarantee period, Institute may employ or pay other person/company for repairing the equipment, and all such damages, loss and expenses shall be recovered from the supplier. Annual Maintenance Contract charges for 3 years after the expiry of warranty period should be quoted.

24. Country of origin:

Country of origin of the quoted item should be mentioned in the offer in case of imported item.

25. Taxes & duties:

i. **General** – As per applicable Government rules for GST

ii. **Customs Duty:**

- The successful bidder would be issued a Customs Duty Exemption Certificate (CDEC) under the notification 51/96 (direct import) at the time of import clearance for the goods being imported against the Contract. Bidder would be required to submit a copy of their order to principal along with principal's acceptance, proforma invoice and Air Waybill copy of the Consignment as soon as it generated from the suppliers end and sent to the office of Stores & Purchase through email at sps@iitj.ac.in for issuance of CDEC.
- Subsequent to Ministry of Finance notification no. 14/2016 dated 1st Mar 2016, the custom duty will be leviable in case of 3rd party import. Hence, **no Custom duty exemption certificate will be provided for 3rd party import**. Therefore, the vendor is requested to indicate separately the approximate amount of customs duty for stores being imported. Custom duty will be paid at actuals against proof of payment and bill of entry.
- Institute is registered with DSIR, Govt. of India (Custom Duty Notification No. 51/96- Custom dt: 23 July, 1996 and Central Excise Duty Notification No. 10/97- Central Excise dt: 1 March, 1997) and is therefore, exempted from Excise Duty and partial exempted from Custom Duty (CD applicable to IIT Jodhpur is 5.15%). Exemption Certificate of the same shall be issued. After GST Notification 2017 benefit of 51/96-Cus has been covered under 43/2017- Custom (Tariff) and the treatment of such imports is the same as earlier (BCD - 5%, IGST - exempted).

26. Service Facility:

Bidder should mention about the service set up in India and how capable they are to provide after sales services.

27. Banker's details:

Name and address of the banker of your company should be mentioned.

28. Reference of supply:

Name and contact details of the premier educational Institutes where the quoted equipment has been installed in India should be enclosed. Copies of at least two

purchase orders may be attached (If possible). IIT Jodhpur reserves the right to inspect the equipment for its actual performance in any of the listed Institute.

29. Undertaking from the Bidders:

An undertaking will be submitted by the Bidder/firm/company/vendor that in the past they have never been banned/debarred for doing business dealings with Ministry of Defence/Govt. of India/ any other Govt. organisation and that there is no enquiry going on by CBI/ED/any other Govt. agency against them.

30. Repeat Order Clause: The Contract will have a Repeat Order Clause, wherein the Buyer can order up to 50% quantity of the original contracted quantity (rounded up to the next whole number) under the Contract within six months from the date of completion of supply under the original Contract/ PO. The Repeat Order will have rates on not exceeding basis while the terms and conditions will remain unchanged. It will be entirely the discretion of the Buyer to exercise the Repeat order or not.

31. Acceptance of Terms & Conditions:

Bidders must confirm the acceptance of all the terms and conditions of this NIQ. Any non-acceptance or deviations from the terms and conditions must be clearly mentioned. However, tenderers must note carefully that any conditional offer or any deviation from the terms and conditions of this NIQ may render the quotation liable for rejection. IITJ does not bind itself to accept the lowest of any tender and reserves the right to reject any or all tenders without assigning any reason.

Note: The Director, IIT Jodhpur reserves the right to accept/reject any or all tenders without assigning any reasons thereof and also to reject.

32. Arbitration and Laws:

In case of any dispute or difference arising out of or in connection with the tender conditions / order and Contract, the Institute and the Supplier will address the dispute / difference for a mutual resolution and failing which, the matter shall be referred for arbitration to a sole Arbitrator to be appointed by the Institute. The Arbitration shall be held in accordance with the provisions of the Arbitration and Conciliation Act, 1996 and the venue of arbitration shall be at Jodhpur only. The resolution of the Arbitrator shall be final and binding on both the parties.

33. Jurisdiction:

The courts at Jodhpur alone will have the jurisdiction to try any matter, dispute or reference between parties arising out of this tender / contract. It is specifically agreed that no court outside and other than Jodhpur court shall have jurisdiction in the matter.

TECHNICAL SPECIFICATION COMPLIANCE

Note: Supplier MUST provide the model number of their product in the cover letter which complies with the tender specifications and an original printed manual of the same shall be submitted with the bid. Bidders should highlight the features in the printed manual using color text liner/manually mark which complies with the tendered specifications. Vendors are strongly advised not to submit any other manual in their bid. The following compliance sheet to be filled-up correctly and completely. Otherwise, it may lead to cancellation of their bid without any communication from IIT Jodhpur.

Specifications for 3-D Printer Machine

S N	Item	Basic Description	Technical Compliance (Yes/No)
a)	Primary Specifications:		
1.	Scope of Supply	3-D Printer Machine	
		Support Software	
		Consumable materials to carryout printing work	
2.	Technology	An office friendly, Additive Fabrication Technology non-laser 3-D printer	
		Technology based on liquid injection of Photo Polymers with phase change process	
		Capable of producing highly accurate and good surface finish parts suitable for various applications.	
3.	Material varieties to be Supported	The machine should be able to support the following material varieties;	
		Inflexible/Rigid/Hard	
		Flexible/rubber	
		Clear/Transparent	
		High temperature	
4.	Support Mechanism	Support mechanism to facilitate building of complex parts	
		The support can be either gel-based or water-soluble based for hands free operation	
		System should include additional setup for cleaning the support material, if required.	
5.	Build Volume	11x 7 x 5 inches or more	

6.	MinimumLayer thickness	16 microns or better	
7.	Accuracy	0.1 mm (0.0039 in.) varies depending on part geometry, size, orientation, material and post-processing method or even better	
8.	Resolution	X-axis: 600 dpi or better;	
		Y-axis: 600 dpi or better;	
		Z-axis: 1600 dpi or better.	
9.	Software	Software has to be bundled OEM supplied with Windows7 compatibility and with unlimited number of licenses. It should be capable of automatic pre-processing, slicing and support generation. Software should also be capable to pause & resume the build.	
10.	Input file format	Essential:.STL; Optional: additional formats	
11.	Facility Requirements	Machine should be compatible of working in office environments setup. The machine should be non-laser based and must not emit hazardous radiations.Vendors must quote for all the accessories for handling the machine and also quote for automated and hands free for the raw materials.Vendors are also required to indicate requirements of other mandatory facility e.g. vibration free flooring, anti – static environment etc.	
12.	Material Handling	Material handling systems should be part of the machine with automated material loading, feeding and storage management system. The system should have hot swapped facility. The process should have provisions for loading of additional material for complete build of part. The system should be enclosed in the sealed cartridge form. The type of material and its expiry date has to be clearly mentioned.	
13.	Networks Connectivity	Ethernet TCP/IP 10/100 base T	

14.	Workstation Compatibility	Windows 7 & Windows 8	
15.	Operator	Easy to use with soluble support structure. The part should be built in closed controlled environment.	
16.	Display Feature	Machine should be capable to display the material availability in the cartridge at all times.	
17.	Part building	The part should be built on base plate without any additional adhesive.	
18.	Capable to build models in different modes	The machine should be capable to build the component in High Speed, High Quality & Draft mode.	
19.	Material Cartridge	It should be enclosed in sealed cartridge form	
20.	Operating Conditions	Temperature 18-25°C (64-77°F); relative humidity 30-70% (non-condensing)	
21.	Power Requirements	110-240 VAC 50/60Hz; 1.5 kW single phase	
22.	Regulatory Compliance	Machine should be Regulatory Compliance - CE/FCC/RoHS	
23.	Warranty	Complete Hardware comprehensive Warranty for 36 months. During the warranty period, should there be a failure of any parts, vendor should replace it at free of cost and pay all the taxes/duties for the free replacement. The comprehensive warranty should cover the entire machine including electrical, electronic & mechanical systems/components. The vendor must provide the separate list of consumables, which are not covered under warranty	
24.	Accessories (Optional)	Raw material packs (quote separately)	
25.	Toxicity	Non-toxic process and materials	

Other Terms and Conditions:

1. The machine should be supplied and fitted with all electrical items and necessary mechanical attachments to carryout work immediately.
2. The bidder is required to quote for standard and optional essential mechanical and electrical spares and consumables.

3. The bidder shall clearly categorize the basic/standard feature as well as optional features of the equipment in order to have clear cost comparison.
4. The quoted specifications of the machine should reflect on broacher and also on manufacturer website.
5. The operation and maintenance manuals of the machine have to be supplied.
6. The price of quotation must be inclusive of successful installation of the machine with training of the operator to ensure proper functionality upon installation.
7. The bidder should have been in manufacturing of printers from last 10 years and must have repair, maintenance and up-gradation facility in India.
8. The bidder shall invariably furnish documentary evidence (client's certificate) in support of the satisfactory operation of the equipment.
9. The bidder should have registered office in India and with a minimum of 10 years of existence for supply and support of 3-D printers (company profile to be supported along with the bid including self-declaration).
10. The OEM should have experience centre in India to demonstrate the machine features and applications. The Indian Agent / distributor who is representing the 3-D printer should have OEM's (Original Equipment Manufacturer) Authorization to the party.
11. In case of foreign suppliers, the bidder should have resident personal and operations/ service support within India. The address of office/s in India along with contact persons, phone numbers etc. to be furnished with the bid.
12. The supplier/OEM need to submit the details of similar machine supplied to the Govt. organizations/PSU's/IITs/renowned manufacturers in India.
13. The bidder must have supplied more than 100 machines of similar nature in India.
14. The machine models/brands offered should have successful installations in India. List of Installations in India during last 5 years to be furnished with the technical bid along with the certificate of completion and satisfactory performance.

FORMAT FOR MANUFACTURER’S AUTHORISATION LETTER TO AGENT (on letter head)

Ref. No.

Date:

To,
The Director
