

02nd July 2018

Dear Applicants,

This is to inform you that the admission stands cancelled for M.Tech. in Bioscience and Bioengineering starting from July 2018, due to delay in setting up of the needed infrastructure of the Department of Bioscience and Bioengineering. The new announcement for the admission procedure will be announced in due course of time by the Institute on its website.

The application fee will be refunded to all applicants. The inconvenience caused is deeply regretted.
