

PhD Mathematics Admission October 2020

॥ त्वं ज्ञानमयो विज्ञानमयोऽसि ॥

The Department of Mathematics at IIT Jodhpur is inviting applications for PhD program in various classical, applied and emerging areas of Mathematics and Statistics.

Currently, the Department is actively pursuing research in areas like dynamical systems, chaos, differential equations, algebra, numerical analysis, functional analysis, wavelet analysis, image processing, mathematical physics, fluid mechanics, reliability theory, applied probability, applied statistics, and financial risk analysis.

Eligibility: B.Tech., B.E., M.Sc., or equivalent

Regular full time students with valid GATE/NET (JRF)/NBHM/equivalent score are eligible for fellowship/assistantship.

- For admissions in October 2020, please apply on or before 20 October 2020.
- Link to fill application form online: https://oa.iitj.ac.in/OA_PG_ADMISSION
- The applicants are strongly encouraged to go through profiles of Faculty Members to get familiar with their specialization research interest at:
http://iitj.ac.in/department/index.php?dept=mathematics&id=faculty_members
- For further information, see
