They come from different parts of the country with diverse educational backgrounds and graduated from institutions like IITS, NIT, DU, JNU, and other esteemed institutions.

Besides, SME is poised to contribute to the practice outreach of IIT Jodhpur by being an innovation hub. SME will contribute to the community through cutting-edge training and development programs, enabling seasoned professionals across sectors to hone their managerial skills and business acumen. I wish SME and all its stakeholders a purposeful and joyful journey ahead and facilitate all its endeavors.
