INDIAN INSTITUTE OF TECHNOLOGY JODHPUR

The **Sandstone Summit 3.0** is the third edition of the Annual Business Conclave of IIT Jodhpur. The theme, "**India Accelerates: Canvassing Vicennial Sustainability**," is about advancing towards development sustainably. With the dawn of technological supremacy dictating the way of the world, our actions and strife towards advancements have taken their toll on our beloved Earth.

The Sandstone Summit hosts some of the most successful and respected dignitaries in their field to discuss and address the students of IIT-Jodhpur on sustainable practices adopted by organizations, along with topics of diversity. The event aims to bridge the gap and have the Corporates on campus. The students are delighted to have dignitaries from esteemed companies from across various industries like IT, Marketing, FMCG, and Leading Banking conglomerates.
