

SUMMER INTERNSHIP REPORT 2023

SUMMER INTERNSHIP HIGHLIGHTS

The **School of Management and Entrepreneurship, IIT Jodhpur** is delighted to announce the successful completion of 100 percent summer placements for the MBA cohort of 2022-24. This marks the third consecutive year that our institution has achieved this remarkable milestone, which is a testament to the unwavering commitment of our faculty and students toward excellence in education.

With the addition of 20+ new campus recruitment partners, this placement season witnessed more than 60 companies conducting the recruitment process and offering attractive opportunities to our students.

American Express, Bosch, Maxlife Insurance, Inditex(Zara), Bank of Baroda, Royal Enfield, Mediversal Multi Super Specialty Hospital, Zycus, TimesPro, Sutherland, Reserve Bank of India (RBI), and many more esteemed organizations joined hands with us for the summer placements. This season, we also witnessed a remarkable improvement in the number of corporate partners and the stipend offered to the students.

We would like to extend our deepest gratitude to all our campus partners, faculty, staff, alumni, and students for contributing extensively to making this summer placement a grand success. We would like to appreciate your continued confidence in us throughout this zealous endeavor, and we look forward to amplifying the bond we have forged.

Professor Sangeeta Sahney

Head, SME, IIT Jodhpur

The School of Management and Entrepreneurship (SME), IIT Jodhpur, is progressing towards its bequest with evolving international academic and industrial collaborations. Our curriculum incorporates various industrial transformations offered by diverse faculties from both academia and Industry and endows students with the latest technology management and interdisciplinary outlook. The school thus provides a unique learning platform for future managers at the intersection of business and technology. I welcome all potential recruiters to SME | IIT Jodhpur and hope to build a strong partnership with you all.

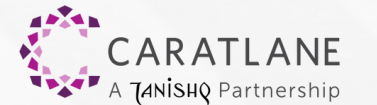

School of management and entrepreneurship (SME) is a young management institute formed under the aegis of IIT Jodhpur in 2019. The MBA and Tech MBA programs offered at SME are based on an industry 4.0 curriculum, which not only provides academic rigour to the students but also brings in the softer aspect of decision making. It is imperative to prepare leaders on global platforms to become holistic, well rounded human beings. Because in businesses, values are ultimately what matters. At SME, we strive to imbibe the right fundamental values based on the integrity, transparency, role of business in society as part of management education.
