# Case Western Reserve University Dual Degree (1+1) Programme

<https://case.edu/>

- **Eligibility:** Students enrolled in the IITJ-MBA program qualify to enroll in a choice of the MBAI, MFIN, or MSCM to complete after completing one year of study in the full-time MBA program at IITJ. All WSOM-CWRU coursework for these programs will be completed in one academic year (e.g., Fall semester and Spring semester). Students must meet all WSOM-CWRU criteria for admission. CWRU- WSOM has sole discretion over the acceptance of students into the program according to its admission policies and requirements including the requirements for language proficiency. Example of requirements at: <https://case.edu/weatherhead/academics/graduate/master-finance/admission-information>. The requirements shall be made available to the students during the recruitment/admission process for such a program.
- **Degree:** Upon successfully completing the required credits of the MBAI, MFIN or MSCM program at WSOM-CWRU (typically 30 credit hours) and provided all other requirements are met, the students will be awarded the Master of Business Analytics & Intelligence, or Master of Finance, or Master of Supply Chain Management degree from Case Western Reserve University. Degree completion requirements must adhere to the established WSOM-CWRU general bulletin. The students will be made aware of such requirements during the process of admission/recruitment for such a program.
- **Cost Assignment:**
  - 1) The students are responsible for the payment of all tuition and fees for any courses in the MBAI, MFIN, or MSCM program taken at WSOM-CWRU.
  - 2) Any cost arising from traveling and stay of the students in WSOM-CWRU shall be borne by the students themselves, including visa, travel, accommodation, insurance, etc. WSOM-CWRU shall give reasonable nonfinancial support and help to the students, should there be such inquiry.
  - 3) IITJ shall organize recruitment activities for admission for the WSOM-CWRU programs. WSOM-CWRU will assist IITJ in such activities.
  - 4) WSOM-CWRU will provide all reasonable networking opportunities for career development with U.S.-based employers, for eligible students who wish to pursue and are legally able to pursue employment in the United States.
