

Empowering the Next Generation of Researchers! ✨

On January 27, 2025, IIT Jodhpur, in collaboration with the American Chemical Society (ACS), hosted Navigating PhD and Beyond—a dynamic event designed to equip young researchers with the essential skills, perspectives, and strategies to excel in academia and industry.

The event featured insightful sessions by distinguished experts, including Prof. Avinash Kumar Agarwal (Director, IIT Jodhpur), Prof. Ashutosh Sharma, Scholar in

Residence and President, INSA, Dr. Deeksha Gupta (ACS), Dr. Anand Madhukar (TERI SAS), and Dr. Ajay Jha (ACS).

Key takeaways:

- ✓ Importance of sustainability in research
- ✓ Mastering the art of scientific communication
- ✓ Navigating career pathways & making the most of a PhD

A day filled with knowledge-sharing, networking, and inspiration, this event reaffirmed the commitment to fostering a robust research ecosystem.
