Admission to M.Tech. programs in Mechanical Engineering under self-sponsored category, AY 2023-24

Applications are invited for admission to M.Tech. (self-sponsored) programmes in a) Thermofluids Engineering and b) Advanced Manufacturing & Design in the first semester of academic year 2023-2024.

These M.Tech. programmes have been designed to empower students with the latest in technology, including hands-on, with a strong foundation for multi-disciplinary innovation.

S.N.	Department/IDPR	Program
1	Mechanical Engineering	M.Tech. in Advanced Manufacturing and Design
		M.Tech. in Thermofluids Engineering

In the current admission round, these programmes will admit eligible full-time regular candidates in the following categories:

- (a) **Self-sponsored:** In campus candidate who can register for up to full permissible credits per semester but is not eligible to receive fellowship. These candidates will be self-sponsored and will be paying fees as per rates notified for this category of students.

Application Procedure

Applicants are requested to use the following link to fill and submit the application form online:

https://oa.iitj.ac.in/PG_ADMISSION

For admission to the 2023-24 First Semester commencing in July 2023, this online link will remain active till 20 July, 2023.

Applicants are required to pay the processing fee of Rs.300 for General and OBC applicants and Rs.150 for SC, ST, and PD applicants online while submitting the application form.

In case of any query with respect to online application, candidates may contact Office of Academics (office_academics_pg@iitj.ac.in) and other general queries may be directed to the office of Mechanical Engineering (office_me@iitj.ac.in) or ME PG admission (pgadmission@me.iitj.ac.in) .

Eligibility for Admission

The eligibility criteria prescribed below are the absolute minimum. The general eligibility criteria for admissions is as follows:

- (i) For admission to M. Tech. programme in *Advanced Manufacturing and Design*, the applicant must have bachelor's degree in Mechanical Engineering, Production Engineering, Aerospace Engineering, or Mechatronics Engineering (4 year program).
For admission to M. Tech. programme in *Thermofluids Engineering*, the applicant must have bachelor's degree in Mechanical Engineering, Aerospace Engineering, Chemical Engineering or Power Plant Engineering (4 year program).
- (ii) A minimum of 60% marks for GEN/OBC (55% for SC/ST/PD) category in aggregate or as specified by the university/institute or a minimum CGPA of 6.0 for GEN/OBC (5.5 for SC/ST/PD) category on the scale of 10; with corresponding proportional requirements when the scales are other than on 10 (for example 4.8 for GEN/OBC category (4.4 for SC/ST/PD) on a scale of 8) or a first-class as specified by the university/institute.

Important Dates

Milestone	Date
Start date of filling online application form	17 July 2023
Last date of filling online application form	20 July 2023
Announcement of selected candidates for the admission process (Tentative)	24 July 2023

Whom to contact

In case of any query, the applicants may contact the office of Mechanical Engineering Phone: 0291-280-1502; Email: office_me@iitj.ac.in, or the PG admissions at pgadmission@me.iitj.ac.in
