**Admitted Unstarred Rajya Sabha Question No. 5878 to be answered on 30/03/2026 regarding "Migration of Students to Tier-1 Cities for Higher Education"**

S.No.	Institute	(c) <b>the details of higher education institutions located in Tier-2 and Tier-3 cities currently offering credit-linked minors, dual degree or industry-integrated programmes in partnership with Indian Institutes of Technology (IITs) or other national bodies; and</b>
1	<b>IIT Kharagpur</b>	
2	<b>IIT Bombay</b>	
3	<b>IIT Madras</b>	
4	<b>IIT Kanpur</b>	Although the Institute provide Dual Degree and Minor but no such degrees are provided by the Institute in collaboration/ partnership with any other Institute or Industry.
5	<b>IIT Delhi</b>	NA
6	<b>IIT Guwahati</b>	
7	<b>IIT Roorkee</b>	While the Institute offers internal Dual Degree and credit-linked minor programmes to its students, it does not currently provide any such degrees in formal collaboration or partnership with external academic institutions of Tier - 2, Tier - 3 cities or industry bodies.
8	<b>IIT (BHU) Varanasi</b>	No credit linked course is running for other Universities or colleges. However, IIT(BHU) is continuing with five year B Tech courses in main program with Major in another discipline under the mandate of NEP-2020. Another program five year integrated B.Tech +M.Tech. is also running for only internal students. Further our students are also going in Industries for semester long Internship. Unnat Bhartiya Abhiyan of IIT (BHU) a initiative serves as a Regional Coordinating Institute for parts of Uttar Pradesh and engages in rural outreach, village adoption, and technical support. This involves some interaction with local colleges (e.g., seminars or visits with institutions of Varanasi, or others in the region), but it centers on community development and rural projects rather than formal credit-linked academic programs or dual degrees"
9	<b>IIT (ISM) Dhanbad</b>	No such partnership for offering credit linked minors, dual degree etc is there with the Institutions in Tier 2 or Tier 3 cities. However, our students are allowed to complete one semester long internship at any of the industrial / research / corpoparte organizations that are aligned with the domains being pursued by them, irrespective of whether the organizations are in Tier-1, 2 or Tier 3 cities
10	<b>IIT Gandhinagar</b>	
11	<b>IIT Bhubaneswar</b>	

12	<b>IIT Hyderabad</b>	<p>Currently, there is no such partnership with higher education institutions in Tier 2 &amp; Tier 3 cities to offer credit-linked minors, dual degrees, or industry-integrated programmes. However, IIT Hyderabad has MoUs with various NITs in which final year students from these NITs spend &amp; complete their final year requirements at IIT Hyderabad, and the credits completed by these students are transferred. IIT Hyderabad also has MoUs with other institutions.</p> <p>Summer Undergraduate Research Exposure (SURE) Internships are offered to only Non-IIT Hyderabad students, irrespective of the Tier city to which the student belongs.</p> <p>The Centre for Continuing Education (CCE) offers various online OAT (Open to All) credit-based courses and Certification courses in collaboration with industry and academia, designed to provide specialized expertise/skill development in diverse fields which is open to all.</p> <p>Further, IITH UG students are allowed to complete a one-semester-long internship, summer/ winter internship (during vacation) at any of the industrial / research / corporate organizations, irrespective of whether the organizations are in Tier-1, 2, or Tier 3 cities</p>
13	<b>IIT Jodhpur</b>	<p>At present, there is no formal partnerships with higher education institutions in Tier 2 and Tier 3 cities for credit-linked minors, dual degrees, or industry-integrated programs.</p> <p>However, Indian Institute of Technology Jodhpur has undertaken several initiatives to broaden academic access and reduce the need for migration to Tier-1 cities:</p> <ol style="list-style-type: none"> <li>1. Joint degree programmes are being offered in collaboration with All India Institute of Medical Sciences Jodhpur through Master's and Ph.D. programmes.</li> <li>2. The Institute is also planning to start a Master's programme in Law in collaboration with National Law University Jodhpur.</li> <li>3. The Summer Undergraduate Research at Jodhpur (SURAJ) programme provides internship opportunities to students from educational institutions across the country, irrespective of the Tier city to which they belong.</li> <li>4. Additionally, students from other institutes may undertake project work under the guidance of Institute faculty members and utilize the Institute's research facilities, subject to applicable norms.</li> <li>5. M.Sc. and M.Tech. students of the Institute are allowed to earn 2 and 8 academic credits, respectively, through Industry-Academia Summer Internships or Academic Internships during the summer vacation at industrial, research, or corporate organizations located in Tier-1, Tier-2, or Tier-3 cities.</li> <li>6. The Institute is also planning to offer a Joint B.Tech.-M.Tech. Dual Degree Programme with North-Eastern NITs under the Northeast-West Technology Education Corridor (NEWTEC).</li> </ol> <p>These initiatives aim to strengthen collaboration, expand access to quality higher education, and reduce regional disparities in academic opportunities.</p>

14	<b>IIT Ropar</b>	<p>Currently, there is no such partnership with higher education institutions to offer credit-linked minors, dual degrees, or industry-integrated programmes.</p> <p>However, IIT Ropar has started Joint Degree Programmes(JDP) /Double Degree Programmes (DDP) /MS Degree with other Institutes such as:</p> <ul style="list-style-type: none"> <li>a. JDP- IIT Mandi and IIT Ropar</li> <li>b. JDP- IIT Ropar and SVNIT Surat</li> <li>c. B.S. Credit Transfer program for IIT Madras students</li> <li>d. MS in Data Science for IIT Madras BS students</li> <li>e. M.Sc. in Data Science and Management with IIM Amritsar</li> </ul> <p>Further, IIT Ropar students are allowed to complete a one-semester-long internship, summer/winter internship (during vacation) at any of the industrial / research / corporate organizations, irrespective of whether the organizations are in Tier-1, 2, or Tier 3 cities.</p> <p>Apart from that students from Tier-1,2or3 cities are encouraged to join IIT Ropar under summer internship program. IIT Ropar also offers J&amp;K internship of AICTE. Apart from that, IIT Ropar offers Minor in AI Program in association with Massai.</p>	
15	<b>IIT Patna</b>		
16	<b>IIT Indore</b>		

17	<b>IIT Mandi</b>	<p>Currently, there is no such partnership with higher education institutions to offer credit-linked minors, dual degrees, or industry-integrated programmes.</p> <p>However, IIT Mandi has started Joint Degree Programmes(JDP) /Double Degree Programmes (DDP) and Joint Research Degree Programmes (JRDP) with other Institutes such as:</p> <ol style="list-style-type: none"> <li>JDP- IIT Mandi and IIT Ropar</li> <li>JDP- IIT Mandi and SVNIT Surat</li> <li>JDP- IIT Mandi and IIT Jammu</li> <li>JDP- IIT Mandi and PEC Chandigarh</li> <li>JDP- IIT Mandi and Gurugram University</li> <li>JRDP- IIT Mandi and CPRI Bangalore</li> <li>JRDP- IIT Mandi and INST Mohali</li> <li>DDP- IIT Mandi and Abo Akademi, Finland</li> </ol> <p>Further, IIT Mandi students are allowed to complete a one-semester-long internship, summer/ winter internship (during vacation) at any of the industrial / research / corporate organizations, irrespective of whether the organizations are in Tier-1, 2, or Tier 3 cities</p> <p>IIT Mandi hosts the students from J&amp;K for summer Internship from last two years i.e. AICTE SAMARATHAN programme, Students from Rajasthan State for summer Internship under KARAYA programme</p> <p>IIT Mandi hosts 02 months summer internship during summer Vacation from MoU signed institution(s)</p>
18	<b>IIT Palakkad</b>	<p>No partnerships currently exist with institutions in Tier 2 or Tier 3 cities for offering credit-linked minors, dual degree programmes, or industry-integrated programmes. However, internship opportunities are available to students from educational institutions across the country. Additionally, students may undertake project work under the guidance of institute faculty members and use the institute's research facilities, subject to applicable norms.</p>
19	<b>IIT Tirupati</b>	<p>IIT Tirupati does not have partnerships with higher education institutions in Tier 2 or Tier 3 cities for the provision of credit-linked minors, dual degree programs, or industry-integrated curricula. Students are, however, permitted to undertake a semester-long internship in industrial, research, or corporate organizations relevant to their academic specialization. These internships may be pursued in Tier 1, Tier 2, or Tier 3 cities, thereby ensuring equitable access to professional and research opportunities across locations.</p>
20	<b>IIT Jammu</b>	
21	<b>IIT Bhilai</b>	<p>While IIT Bhilai offer various internship opportunities to selected students regardless of their institution's location, it currently does not have any formal partnerships with higher education institutions in Tier 2 and Tier 3 cities for credit-linked minors, dual degrees, or industry-integrated programs.</p>

22	<b>IIT Goa</b>	Currently, there is no such partnership with higher education institutions located in Tier 2 & Tier 3 cities for offering credit-linked minors, dual degree, or industry-integrated programmes. Various Internship opportunities are provided to the selected students from these colleges (irrespective of tier).	
23	<b>IIT Dharwad</b>	There is no such partnership with higher education institutions located in Tier 2 & Tier 3 cities for offering credit-linked minors, dual degree, or industry-integrated programmes. However, various Internship opportunities are provided to the selected students from these colleges (irrespective of tier).

**Admitted LSUSQ No. 2438 (Diary No.7667) o be answered on 04/08/2025 "Enhancement of Seats in**

S.No	Name of the Institute	whether the Government intends to increase the seats in the existing Indian Institute of Technology (IITs) across the Country:	if so, the details thereof:	the number of seats proposed to be increased and measures being taken to enhance infrastructure and faculty capacity with timelines; and	if so the details thereof and if not, the reasons thereof?
		(a)	(b)	(c)	(d)
10	IIT Gandhinagar	Yes	Yes, IIT Gandhinagar has introduced new branches in both UG and PG programmes over the past two years. As a result, UG seat intake has increased by approximately 23% since 2022-23, and PG seat intake has increased by approximately 18% since 2023-24.	IIT Gandhinagar plans to gradually increase student intake in alignment with available infrastructure and the faculty-student ratio. Over the next five years, UG strength is planned to be increased by approximately 20%, and PG strength by around 10%.  Proposal to enhance the faculty strength was placed in the last meeting of the Board held on 21.06.2025. After approval by the Board, the proposal has been sent to the Ministry of Education for approval.	IIT Gandhinagar plans to gradually increase student intake in alignment with available infrastructure and the faculty-student ratio. Over the next five years, UG strength is planned to be increased by approximately 20%, and PG strength by around 10%.
11	IIT Bhubaneswar	Yes	Total projected student strength by 2030 is 5400 over the present student strength of 3184 (2024-25).	For Infrastructure Development: MoE has sanctioned Rs 452 Cr. through HEFA in 2024. Faculty strength to be increased at the ratio of 1:10 as and when required and accordingly Non-teaching staff strength.	Same as C

**Rajya Sabha Unstarred Question 1144 on Promotion of Research In Information Technology.**

S.No	Name of the Institute	whether Government is encouraging students of Higher Education Institutions (HEIs) in the country to embark upon research and innovation in electronics and information technology with special reference to artificial intelligence, if so, the details thereof,	the details of funds, if any, allocated to the States in this regard by Government	whether Government is further encouraging student led start up eco systems to harness their potential in information technology in the country and, if so, the details thereof
1	<b>IIT Kharagpur</b>	1. IIT Kharagpur has a Department of Artificial Intelligence that offers B. Tech in Artificial Intelligence, M. Tech in Artificial Intelligence, Interdisciplinary Dual Degree M. Tech in Artificial Intelligence and also carries out Research Programmes in AI. 2. AI4ICPS Innovation Hub at IIT Kharagpur that received an initial Grant from DST, Government of India, supports AI based projects in Health Care, Smart City, Traffic Management and various other socially impactful areas. The Hub also supports a number of Startups working in AI Applications.	The DST has given a fund of Rs 24.45 Crore under the National Mission NM-ICPS to IIT Kharagpur AI4ICPS I Hub Foundation to fund translational research project in AI & ML for Cyber Physical Systems and to fund and incubate startups in this area.	The Ministry of Education and AICTE has further given Rs. 6 Lakhs to a student led AI startup from IIT Kharagpur under the scheme of Grant Support to Innovation, which is currently incubated under AI4ICPS Innovation Hub.
2	<b>IIT Bombay</b>	IIT Bombay offers a comprehensive AI ecosystem through the Department of Computer Science and Engineering, Centre for Machine Intelligence and Data Science (C-MInDS), and Technocraft Centre for Applied AI (TCAA), combining academic excellence with industry-focused research. IIT Bombay has started Centre for Machine Intelligence and Data Science which offers PhD, MS, Dual Degree and minor degrees in AI and data science. Kolkata Centre for Digital Health also offers PhD in digital health, MS by Research in Health Informatics, dual degree Masters and minor programs.		
3	<b>IIT Madras</b>	IIT Madras have started a Department of Data Science and AI. The department offers B.Tech, M.Tech, M.S, and Ph.D programmes in DS and AI.	Enclosed as Annexure 1	Ministry may reply
4	<b>IIT Kanpur</b>	<p>Academic programmes: Offers MTech, MS and eMasters programme in AI, Data Sciences and IT</p> <p>Internship, Research, Challenges, Hirings: Students are offered Internships/Fellowships/ project as a part of curriculum and encouraged to participate in govt schemes and challenges</p> <p>Initiatives: C3I-Translational research Park focuses on cybersecurity and AI-driven research, CoE in AI for Sustainability, School of Advanced AI &amp; Intelligent Systems</p>	Link to Annexure-1	<p>Collaborations with various government bodies, such as the National Health Authority (NHA) and the Ministry of Electronics and Information Technology (MeitY), to advance AI research and development in specific domains like healthcare and digital governance.</p> <p>ii) E&amp;ICT Academy: This government-supported initiative provides online courses in emerging technologies, including AI, ML, and cybersecurity, to enhance the skills of students and working professionals</p> <p>iii) Incubation Centre: AIIDE CoE: Artificial Intelligence and Innovation Driven Entrepreneurship - CoE (Center of Excellence) is a domain-specific facility that provides Mentorship, Networking opportunities, training, research &amp; development, Infrastructure, funding opportunities to the start-ups.</p>

13	IIT Jodhpur	<p>IIT Jodhpur has taken an initiative to establish a Centre of Excellence (CoE) in AyurTech, under the School of Artificial Intelligence and Data Science, where electronics, AI, and Ayurveda science knowledge are being used in consonance to explain the ayurvedic principles of diagnosis and treatment. The students in various educational programs are involved in the activities of the CoE. Additionally, at the Department of Electrical Engineering, IIT Jodhpur, the wireless communication faculty members are actively involved in developing AI/ML-based signal processing and automated network service management techniques for 5G and beyond communication. They are also part of an intelligent spectrum innovation research project sponsored by DST+UKRI-EPSC under India-UK Joint opportunity in Telecommunications Research.</p>	<p>List attached ( Final Data )</p>	<p>To promote student entrepreneurship and technology-led startups, IIT Jodhpur has established a Section 8 company, the Technology Innovation and Startup Center (TISC).</p> <ul style="list-style-type: none"> <li>TISC currently has over 52 incubated startups, many of them founded or co-founded by students and alumni from IIT Jodhpur.</li> <li>The center has trained 5,400+ students and early professionals to become entrepreneurs in scalable and emerging areas such as Information Technology, Artificial Intelligence, IoT, EHR, and Digital Health.</li> <li>IIT Jodhpur has successfully implemented the National Innovation and Startup Policy (NISP) and has regularly conducted orientation workshops, encouraging students to become job creators instead of job seekers.</li> <li>TISC has guided over 20 startups or individuals in securing Government and private seed-stage funding, ranging from ₹2 lakhs to ₹50 lakhs, through schemes such as TIDE 2.0, NIDHI PRAYAS, BIRAC BIG, and MSME Ideathon.</li> <li>The center has also supported budding entrepreneurs with cloud infrastructure to host and test their pilots, and helped them identify and connect with early users for live feedback.</li> <li>Notable student/alumni-led ventures from IIT Jodhpur include: <ul style="list-style-type: none"> <li>Kuku FM – a widely used vernacular audio content platform.</li> <li>Medront Datalabs – pioneering digital pathology and diagnostics.</li> <li>Unicorniz Innovation, EduMEasy, and Infillion Global Private Limited – working across edtech, AI, and analytics domains.</li> </ul> </li> </ul> <p>Together, these national schemes and institutional programs, particularly through incubators like TISC at IIT Jodhpur, are building a resilient, inclusive, and future-ready startup ecosystem.</p> <p>Although most government programs are not limited to IT alone, student-led IT startups are among the largest beneficiaries, especially in digital health, edtech, enterprise SaaS, and AI-driven public services.</p>
14	IIT Ropar	<p>Yes, IIT Ropar established School of Artificial Intelligence and Data Engineering (AIDE) offering undergraduate and postgraduate programs focused on AI, data science, embedded systems, and IoT.</p> <p>2. Technology Innovation Hub on Agriculture and Water (TIH-AWaDH established under DST's NM-ICPS program),</p> <p>3. Technology Business Incubator Foundation (TBIF).</p> <p>4. In alignment with the India AI Mission and other national strategies IIT Ropar is contributes in the development of AI Centres of Excellence, especially in the field of digital agriculture. IIT Ropar also conducts specialized certificate programs, workshops, and outreach activities focused on AI for healthcare, smart surveillance, and sustainable agriculture</p>	<p>1. A grant of 1.55 Cr has been sanctioned to IIT Ropar by MEITY under Tide 1.0 scheme to support AI/ML/IT/IoT domain startups. Under this a fund of 60 lakhs has been received by the institute.</p> <p>2. DST has sanctioned a fund of 4.98Cr has been sanctioned to IIT Ropar to set up a NIDHI TBI to support startups from various sectors including AI/ML</p>	
15	IIT Patna	<p>Yes. We have dedicated incubator, TIH (I-Hub) for Innovation and Technology Development using IT &amp; AI as a tool.</p>	<p>1. 3.5 crore project fund by DST 2. 100 crore NMCPs fund for setting up of TIH 3. Govt. of Bihar fund for Incubation</p>	<p>TISC currently has over 52 incubated startups, many of them founded or co-founded by students and alumni from IIT Jodhpur.</p>

**Subject: Seeking Inputs for Admitted Rajya Sabha Starred Question No. 120 to be answered on 30.07.2025 regarding “Multiple Entry-Exit system and Academic Bank of Credits”**

S.No.	Query	Reply
a.	Whether any assessment has been conducted regarding the challenges faced in implementing the multiple entry-exit system in higher education, and if so, the details thereof;	<p>The Institute has created exit policies for B.S., B.Tech., M.Tech. and Ph.D. students. The B.S. students can exit with a B.Sc. degree in Physics and Chemistry following the norms as specified by the Senate. The M.Tech. and Ph.D. students can exit with Diploma and M.S. by Research degree, respectively following the norms as specified by the Senate.</p> <p>For example, students entered in B.Tech. in Mechanical Engineering can Exit with B.Sc. in Engineering Science, or B.Tech. in Engineering Science, or B.Tech. in Mechanical Engineering with a specialization, or B.Tech. in Mechanical Engineering and Engineering Science. Institute is currently offering multiple entries to the Ph.D. programmes. Other than the standalone Ph.D./M.Tech.-Ph.D. programmes, one can convert to the M.Tech.-Ph.D. programme even after completing 2-3 semesters in M.Tech. programme if he/she meets the CGPA requirement. As multiple exits, after completing 3 years in M.Tech.-Ph.D. programme, a student can also convert into a part-time/external Ph.D. student and avail a M. Tech degree if all conditions for part-time/external conversion are satisfied.</p> <p>IIT Jodhpur has been aligning its postgraduate offerings in line with the National Education Policy (NEP) 2020 by introducing stackable programs such as M.Tech. Executive Programs, Postgraduate (PG) Certificate Programs, and PG Diploma Programs. The stackable structure allows for multiple entry and exit options as envisioned by NEP 2020.</p> <p>As of now, no challenges have been observed</p>

		in the implementation of the Multiple Entry-Exit System for the academic programs. The Institute will continue to monitor the process closely and take appropriate measures if any issues arise during further implementation.
b.	The measures taken to address the concerns raised by stakeholders such a lack of standardization in transfer mechanism, ambiguity/vagueness and integration challenges;	As of now, no significant challenges have been observed during the ongoing implementation process. However, the Institute remains vigilant and committed to addressing any issues that may arise. Appropriate measures will be taken promptly in case any ambiguity, vagueness, or integration challenges are reported by stakeholders.
c.	The progress made in implementing the Academic Bank of Credits (ABC) system, including the number of universities that have fully adopted the Academic Bank of Credits system; and	The Institute is in the process of implementing a mandatory NAD Digilocker account for all students and is actively coordinating with NAD Digilocker authorities to facilitate access to various services and solutions associated with NAD Digilocker. In parallel, the Institute is also working on a comprehensive implementation plan for the Academic Bank of Credits (ABC).
d.	The expected timeline/dates for universal adoption of the ABC in higher education?

## IIT Jodhpur

25.07.2025

**Subject: Seeking Inputs for LSUQ No. 1273 regarding Dedicated Mental Health Counselling Centers for answer on 28.07.2025**

**(a) The total number of Institutes of National Importance having dedicated mental health or counselling centers with full-time professional counsellors or clinical psychologists.**

- IIT Jodhpur has a dedicated counselling service for mental health, consisting of full-time resident professional counsellors including clinical psychologists. There are two psychiatrists visiting the Institute's Health Center, who are on-call for emergencies.

**(b) the total number of such institutes that have implemented a mental-health screening module such as questionnaires or peer-assessment programmes during student induction or periodically.**

- IIT Jodhpur collects a mandatory and confidential Self-Declaration of Wellbeing indicating past history and any current mental health condition, which is checked by the counsellors in-person at the time of new registration.
- A mental health screening module for new students has been approved by the Competent Authority of the Institute and is likely to be administered soon.

**(c) the total number of institutes having 24×7 helpline or tele-counselling services, either in-house or via partnerships with platforms like Your DOST or Tele-MANAS.**

-YourDost is the online counselling partner providing 24 X 7 services for IIT Jodhpur, along with conducting awareness sessions and disseminating a weekly newsletter.

**(d) whether any centralized audit or annual report is produced to track student uptake, session usage, and impact evaluation across these institutions.**

- A bi-annual report is submitted by the counselling team indicating the number of students availing counselling services, distribution across programmes of study etc., and the number of crisis interventions done.

**(e) whether the Government has any plans to ensure that all Institutes of National Importance comply with minimum mental-health infrastructure standards by 2026.**

- IIT Jodhpur has Student Counsellor, Psychiatrists and facility of tele-counselling services to ensure adequate support to the campus community (Students, Faculty, Staff). Also, IIT Jodhpur conducts various outreach and awareness programmes and is taking structured steps to consolidate its mental health services with the intent of augmenting it further.

IIT Jodhpur also has Primary Health Center with qualified Medical Professionals, Ambulance Services, and essential diagnostic facilities along with referral tie-ups with prominent Hospitals to ensure timely medical support.

**Lok Sabha Unstarred Question No. 166 to be answered on 21/07/2025 regarding 'Establishment of IITs, IIMs and AIIMS'.**

S.No	Name of the Institute	(d) the measures taken to address the faculty shortage and research constraints in IITs	(e) the details of incentives provided to attract the international faculty;	(f) Details of policies and programmes for Multi-Disciplinary Research, Startup Incubation Centres, and At-Risk Learning Modules
1	IIT Kharagpur	Measures taken for: <b>Shortage of Faculty</b> The Institute endeavours to maintain the quality of teaching by recruiting experienced and talented faculty within the country and abroad. Institute has conducted a special recruitment drive to fill the backlog vacancies in the reserved category. In addition candidates from reserved categories can also apply against rolling advertisement which is also available in Institute's website throughout the year. Special efforts are made to take eligible candidates from reserved categories at the level of Post Doctoral level, so as to prepare them for faculty positions in IITs in the future.	In addition to salary, following benefits are provided to international visiting faculty: 1. Furnished accommodation in the Institute 2. Medical facility during their stay in the Institute 3. Reimbursement of air fare for economy class by home country once every two years for self & spouse. 4. Education expenses are provided as per the Institute provisions.	IIT Bombay has undertaken various initiatives and activities to promote multidisciplinary research through setting up of centres of excellence in AI/ML, sustainability, EV etc. Institute has adopted a three approach (top up policy) on massive entrepreneurship activities of faculty, students and staff. This policy is aligned with NIP (National Innovation and Start-up Policy of MoE). IITB has initiated and nurtured multidisciplinary research through various IIT's Inter-disciplinary programmes that started about 40 years ago (AI Systems and Control Engineering, Bio Energy Science and Engineering to IITM, IITD, IITR, IIT Bombay), Global Studies of Educational Technology and more. IITC-MoE are examples of inter-disciplinary/multi-disciplinary research centres. Faculty from multiple departments collaborated and worked in these centres. Two of them have given rise to full-fledged departments (ESED and IITC). All kinds of research by ACR are examples of interdisciplinary/multi-disciplinary research centres.
2	IIT Bombay	Special Drive for Retention Mode Recruitment of SC/ST/BC, NCC, Cash-Late Rolling Advertisement throughout the year Top up allowance till they reach level L3M from reserved mode to newly recruited faculty Provision of retention and need research grant to all the new faculty members Empowerment Research Grants accessible to faculty Alumni network for setting up of additional research facilities Provision of housing and other state-of-the-art facilities, gym and other amenities on/in the campus	Hiring of Young Faculty, Visiting Faculty Fellow and Young International Faculty from foreign countries Reduced Child Engagement fees to engage with and assist foreign faculty The Young International Faculty (YIF) programme to recruit recent doctorates and post-doctoral fellows from reserved categories across the globe as follows: foreign faculty from Indian citizens (from SC/ST) at the regional level of Assistant Professor Joint MoUs with overseas academic societies for collaborative research Institute also offers foreign faculty programs under YANSP/SAFE, VAFRA and Fellowship.	1. <b>Multi-Disciplinary Research</b> a. Newly formed School of Interdisciplinary Studies b. School of Sustainability and Innovation Centres to support inter departmental research 2. <b>Startup Incubation Centres</b> Multiple pre-incubation and incubation facilities including: 1. Centre For Innovation (CIR) of India's biggest 24/7 student labs to foster creativity & technology of innovation among students with faculty advisors and mentors 2. PrimeHub - A pre-incubation, incubation centre to support business potential. Helped numerous teams to validate their ideas, and their approach to market, leading to the establishment of start-ups 3. CapitalHub (Incubation Centre) - Institute faculty researchers to commercialize their research ideas and innovations, helping them get funded to market 4. 5	IIT Delhi	To address the faculty shortage, Recruitment for academic positions at IIT Delhi is done through the process of rolling advertisements. The rolling advertisements are done in two (02) cycles every year, January-June and July-December. In addition to rolling advertisements, special drives are also undertaken by the Institute to recruit Academic Staff.	The following incentives are provided to Foreign Faculty at IIT Delhi: 1. Provisional Development Fund of Rs.3 Lakh for a 3 year block period. 2. Post Faculty Seed Grant (PNSG) of upto Rs.20 Lakh available to new faculty. 3. Faculty Research Travel Award (FRTA) to support international travel of faculty members for strengthening and promoting collaboration and research at IIT Delhi. 4. Young Faculty Incentive Fellowship Scheme (YFIFS) 5. Faculty with his/her spouse and two dependent children up to the age of 18 year can avail the Faculty of Travel International Membership upto a 2 year cycle. Resolution No.96/22/2025-As, 17.08.2025. 6. On campus housing: Medical facilities, Department of Telemedicine, Reimbursement of expenses incurred to join IIT Delhi. 7. Chair positions are also offered to foreign faculty.	1. The MIPD (Multi Institute Faculty Interdisciplinary Research Programme) scheme of IITD Unit of IITD fosters research collaboration with faculty from partner institutes, both within and outside of India, by providing support of Rs.3 lakhs per year for two years. Every research proposal jointly submitted by an IITD faculty and his collaborating faculty at another academic Institute is funded jointly by IITD and partner Institute. IITD has MIPD projects with various Institutes such as MIT, MIT, RWTH Aachen, IIT Bombay, IIT Delhi, Newcastle, Khalifa University-UAE, Ulfelder USA, Univ. Fapri-UK, etc. Currently around 100 such projects are ongoing at IITD in the areas of Nanotechnology, Advanced Materials, Next-Gen computing, Bio, Knowledge, Biomedical devices, 2. The Foundation for Technology Transfer (FTT) at IITD serves as an interface with the industry and looks after the training and IP work at IITD. The startup incubation at the IITD park at Hauz Khas Campus provides support to startups funded by the IITD students and the faculty members. The startups also can avail the advanced facilities provided at Central Research Facility (CRF), National Research Facility (NRF), and other departmental facilities. IITD has established School of AI that imparts education and training to the students in various application areas of AI. A number of faculty members across academic units are associated with the School of AI, and they carry out cutting edge research in their areas of expertise. Special support grants for AI in the areas of learning, collaboration with MSME, Application of AI in non-invasive diagnosis, medical diagnosis, food production etc. are being explored at present.
6	IIT Guwahati	IIT Guwahati has completed faculty recruitment through its Special Recruitment Drive against reserved categories and Women Mode Recruitment including all categories of candidates. IIT Guwahati has also implemented a policy of regular recruitment and currently an advertisement has been floated for recruitment of faculty in various subjects. The Institute is trying to fill the vacancies in rolling invited categories as much as possible under all the recruitment drives at the earliest possible. However, a sufficient number of appointment candidates were not available in such categories and IIT Guwahati does not want to compromise on the merit quality of the candidates. Posture was taken both in the reserved as well as reserved categories. This is because of the shortage of good quality candidates to both the unreserved as well as reserved categories, who apply for teaching positions.	Here are the key incentives and benefits offered: 1. <b>Appointment Type &amp; Remuneration</b> a. Contractual Appointments for initially for shorter terms (e.g. 1-2 years) with possible extension b. Various position offers such as Honorary Faculty, Emergent professor, professor of practice, etc. c. Pay based on monthly as well as per lecture/talk basis. d. Involvement in research initiatives, can call for projects, collaborative work, etc. up to extent. 2. <b>Accommodation &amp; Campus facilities</b> a. Free Accommodation: Visiting faculty receive free lodging on campus while employed. b. Medical facilities, facilities to maintain and treatment, including long and short-term medical care, etc.

12	IIT Hyderabad		The amount allocated for IIT Hyderabad for the academic year 2025- 2026 is— OH31 - 10 lakhs Rs and OH 35 is 1,90,000 Rs. This amount is used to conduct talks, workshops on mental health by experts in mental health for the students, staff and faculty. The funds are also utilized for Orientation programs for the freshers about mental health, mentor and buddy meet sessions across departments, celebration of significant days like Suicide prevention day, mental health day and happiness day to spread awareness about mental health across students and the community.	There was no formal committee constituted to examine the mental health of the students.  However, the institute has three full time professional psychological counsellors who address mental health concerns across the campus. These counsellors are on campus and are available for all psychological support and emergencies.  In November 2024, a National Wellbeing Conclave was organized in IITH with the support of the Department of Higher Education, Ministry of Education. During this event, representatives from 98 centrally funded higher education institutions across the country participated to share and discuss the mental health initiatives and measures undertaken at their respective campuses.		
13	IIT Jodhpur	Yes	Total Amount - 193.21(Rs. in Lakh)	The Ministry of Education, Secretary (HE)'s D.O. letter dated 05.05.2025, sought data/information from the Institute regarding the existing mechanisms/initiatives undertaken related to student mental health, as required by the National Task Force constituted by the Supreme Court of India. The National Task Force shall analyze the data received from Higher Educational Institutions and engage with all stakeholders to develop effective recommendations.  This information as provided by the Institute to the Ministry is summarized below— -IIT Jodhpur has a dedicated residential counselling team with counsellor to student ratio of 1:600. -Online 24 X 7 counselling -Faculty Support through a dedicated Institute Student Wellbeing Committee (ISWC) , which works in collaboration with the Institute Counsellors and Student Guides. -Orientation program for new students -Emergency support -Availability of psychiatrists for consultations, and on-call for emergencies. -Mental Health Declaration -Appointment of Student Ombudsperson, maintaining strict anonymity of the aggrieved students in the grievance redressal process. -The overall well-being of students is fostered by various sports, extracurricular and festive activities that build a strong community. Various student activities are run by different Boards, including a Board of Student Welfare. -Training, outreach and awareness programs on mental health -The above measures have been successfully implemented, as indicated by the increasing number of students seeking counselling, and the timely averting of mental health crises in IIT Jodhpur.	2: The CST provides students with oppo	The National Task Force is expected to submit its interim report within four months and final report within eight months from the date of the order. In the meantime, IIT Jodhpur has already been taking structured steps to examine and improve student mental health, as elaborated in answers (d) and (e), regarding which it has provided information to the Ministry of Education as asked.
