INDIAN INSTITUTE OF TECHNOLOGY JODHPUR

Request For Technical Information and Pro Forma Quotations

For Procurement of Mimics Innovation Suite

1. Introduction

The Indian Institute of Technology Jodhpur (IIT Jodhpur) intends to procure **Mimics Innovation Suite** for academic and research purposes.

Before initiating the formal procurement process, the Institute invites **Technical Information and Indicative Pro Forma Quotations** from eligible Original Equipment Manufacturers (OEMs) or their authorized representatives.

2. Purpose

The objectives are to:

- Obtain technical information from prospective OEMs/authorized representatives.
- Obtain indicative Pro forma quotations for estimating the procurement cost.

3. Disclaimer

This document is issued **only for obtaining technical information and indicative Pro Forma quotations**.

Submission of information under this proposal:

- shall **not** be treated as a financial bid;
- shall **not** constitute any commitment on the part of IIT Jodhpur to procure the equipment;
- shall **not** confer any right upon the participating firm for award of any future contract;
- shall **not** automatically qualify the responding firm for participation in any future tender.

The Institute reserves the right to modify the technical specifications, estimated cost, procurement methodology, or procurement timeline based on its requirements.

4. Equipment Details

- Name of Equipment: Mimics Innovation Suite
- Quantity: 1
- Broad Functional Requirements: *Mimics Innovation Suite is an advanced medical*

Indian Institute of Technology Jodhpur

image processing and engineering software developed for converting CT and MRI scan data into accurate 3D anatomical models. It enables segmentation, visualization, and analysis of patient-specific anatomy, supporting applications in biomedical research, medical device design, surgical planning, and additive manufacturing. The suite integrates image processing, computer-aided design (CAD), and finite element analysis workflows, allowing seamless development and validation of customized implants, prosthetics, and healthcare solutions.

The desired specifications are provided in the following table:

Parameter	Required Specification
Software Name	Mimics Innovation Suite (Latest available perpetual)
License Type	Academic/Research License With Floating or network license capability
Rapid Traverse	≥ 15 m/min
Number of License	1 Full License + 20 Student License
Operating System	Window 10/11 Professional (64-bit)
Primary Function	Medical image processing, segmentation, 3D reconstruction, reverse engineering, CAD preparation, mesh generation, Export compatible with Abaqus, ANSYS, HyperMesh, COMSOL and other commercial FEA software. 3D Printing Support.
Software Modules	Mimics Base, Mimics Design, Mimics ARE, Mimics Simulation, Mimics FEA, Mimics Lattice Structures, Mimics Texturing
Documentation	Complete user manuals, tutorials and online documentation
Training	Installation, commissioning and user training by vendor
Technical Support	Minimum one year software support and updates
Installation	On-site or remote installation by OEM/authorized partner
License Management	Centralized license server with online/offline activation options
Security	Secure project management and user authentication
Future Upgradability	Software should support future version upgrades during support period

- Equipment Delivery Time: 1 month from date of PO

Note: The above specifications represent the desired technical requirements for the Mimics Innovation Suite Software. Vendors are requested to submit a detailed compliance statement along with the commercial quotation. Any additional modules, plug-ins, licenses, or advanced features offered shall be listed and quoted separately with item-wise pricing (e.g., Module 1, Module 2, etc.).

(The above requirements are indicative and may be revised after evaluation of the responses.)

5. Eligibility Criteria

Interested firms should:

- Be an Original Equipment Manufacturer (OEM) or an authorized distributor/dealer.
- Have experience in supplying similar equipment.
- Have adequate installation and after-sales service support in India.

6. Information/Documents to be Submitted

The interested firms shall submit the following (*Annexure-I*):

1. Company Profile.
2. Details of the OEM.
3. Product Brochure/Catalogue.
4. Detailed Technical Specifications.
5. Compliance with the Broad Functional Requirements.
6. List of previous users/clients with installation reports
7. Details of Warranty.
8. Details of After-Sales Service Support.
9. Authorization Letter from OEM (where applicable).
10. Any additional technical information relevant to the offered equipment.

7. Pro forma Quotation

- Interested firms are requested to submit a Pro forma Quotation (*Annexure-II*) along with their Request For Technical Information and Pro Forma Quotations response. Indicative **Pro Forma** quotation in Indian Rupees (INR), including the cost of the equipment, essential accessories, taxes, duties, freight, insurance, installation, commissioning, training, and any other associated charges. Wherever applicable, the Annual Maintenance Contract (AMC) and/or Comprehensive Maintenance Contract (CMC) charges and spare parts shall be quoted separately as additional charges.
- Expected delivery schedule and other relevant technical and commercial information.

Important Note:

- The **Pro Forma** quotation is required only for cost estimation and budget planning purposes.
- The prices quoted shall be indicative/non-binding.
- The Pro Forma quotation shall not be treated as a financial bid.
- Submission of a **Pro Forma** quotation shall not confer any right or preference in the subsequent procurement process.

8. Presentation/Demonstration

The Institute may invite for a technical presentation or product demonstration. The date and venue shall be communicated separately.

9. Submission:

Interested firms may submit their Proforma Quotations on or before the due date in sealed cover or through email (as applicable).

The envelope/email should be superscribed as:

"Request For Technical Information and Pro forma Quotations for Procurement of Mimics Innovation Suite "

8. Important Dates

Activity	Date
Publication	27/07/2026
Last Date for Submission	31/07/2025
Technical Presentation (if required)	To be informed
Clarification Meeting (if required)	To be informed

10. General Terms & Conditions

1. This **Request For Technical Information and Pro forma Quotations** is issued only for obtaining technical information and **Pro Forma** estimates.
2. The Institute reserves the right to accept or reject any or all responses without assigning any reason.
3. Submission of a **Request For Technical Information and Pro forma Quotations** does not create any contractual obligation.
4. The Institute may seek additional information, technical clarifications, demonstrations, or presentations from any participant.
5. The Institute may modify the technical requirements based on the responses received.
6. The final technical specifications may be prepared by the User Committee after evaluating all **Request For Technical Information and Pro forma Quotations** responses.
7. The subsequent procurement, if any, shall be carried out through an appropriate procurement method in accordance with the GFR 2017 and applicable procurement rules.
8. Participation in this **Request For Technical Information and Pro forma Quotations** does not automatically entitle any firm to participate in or receive any preference during the subsequent tender process.
