FROM THE DIRECTOR'S DESK

Prof. Avinash Kumar Agarwal Director, IIT Jodhpur

It gives me immense pleasure to welcome you to the School of Management and Entrepreneurship (SME), IIT Jodhpur.

At SME, we have tirelessly envisioned sculpting future leaders who are not only proficient in their respective domains in management and industry-ready technological skills but are also empathetic individuals who understand the significance of their social responsibility.

This has been possible due to our uniquely designed curriculum with a compulsory social sector attachment. The credit for the same can be given to our Distinguished Faculty who are industry experts and have rigorously crafted a curriculum that bridges the gap between theoretical knowledge and practical experience.

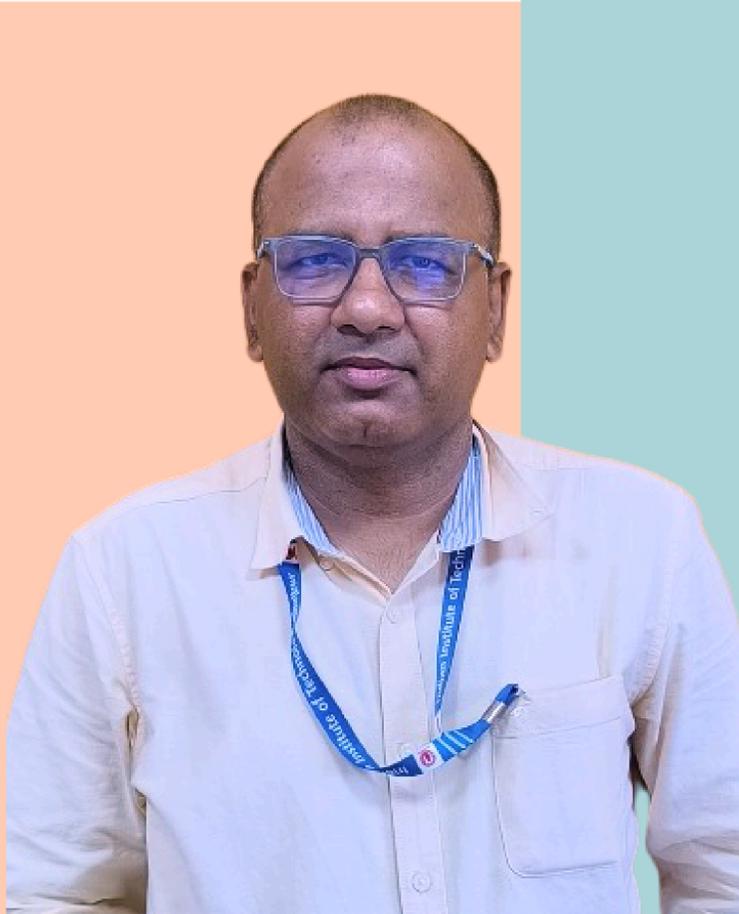

The students at SME are groomed to apply the strategic application of theoretical concepts to complex and real-life business situations. Our students are selected carefully through the Common Admission Test (CAT) followed by a personal interview. They come from different parts of the country with diverse educational backgrounds and graduated from institutions like IITs, NIT, DU, JNU and other esteemed institutions as well.

Besides, SME is poised to contribute to the practice outreach of IIT Jodhpur by being an innovation hub. SME will contribute to the community through cutting-edge training and development programs to enable seasoned professionals across sectors to hone their managerial skills and business acumen.

I wish SME and all its stakeholders a purposeful and joyful journey ahead and facilitate all its endeavors. I invite you to be part of this exciting journey and participate in the success of SME at IIT Jodhpur.

FROM THE HEAD SME DESK

Dr. Deepak Kumar Saxena Associate Professor

As the head of the School of Management and Entrepreneurship (SME) at IIT Jodhpur, I extend a warm welcome and best wishes to all the potential and current recruiters. I encourage you to establish a bond with SME and its pool of brilliant students. Our carefully curated academic programs has courses, labs, live projects and industry interaction in cutting-edge areas of management and technology. With dynamic collaborations with industry experts, we always put all our efforts into preparing our students as future-ready managers and business leaders. I wish to assure the recruiting team that you will find unmatched value in our students.

Dr Magesh Nagarajan Associate Professor

In 2019, the School of Management and Entrepreneurship was formed under the aegis of IIT Jodhpur. A new management institute with a new approach and course curriculum designed to meet the industry standards. The course curriculum is designed in such a way that the students not only excel in the core management courses but are also masters in implementing theoretical knowledge in real-life business scenarios. At SME, we also strive to imbibe the right fundamental values based on the integrity, transparency, and role of business in society as part of management education. We aim to equip the global future leaders with the skills needed to become well-rounded individuals.

FROM THE CHAIRPERSON'S DESK

Vision

To Become India's top thought leader in technology focused management education, research and entrepreneurship in decade's time by spawning a new generation of managers, entrepreneurs and leaders equipped with foresight based on a blend of technology and humanity.

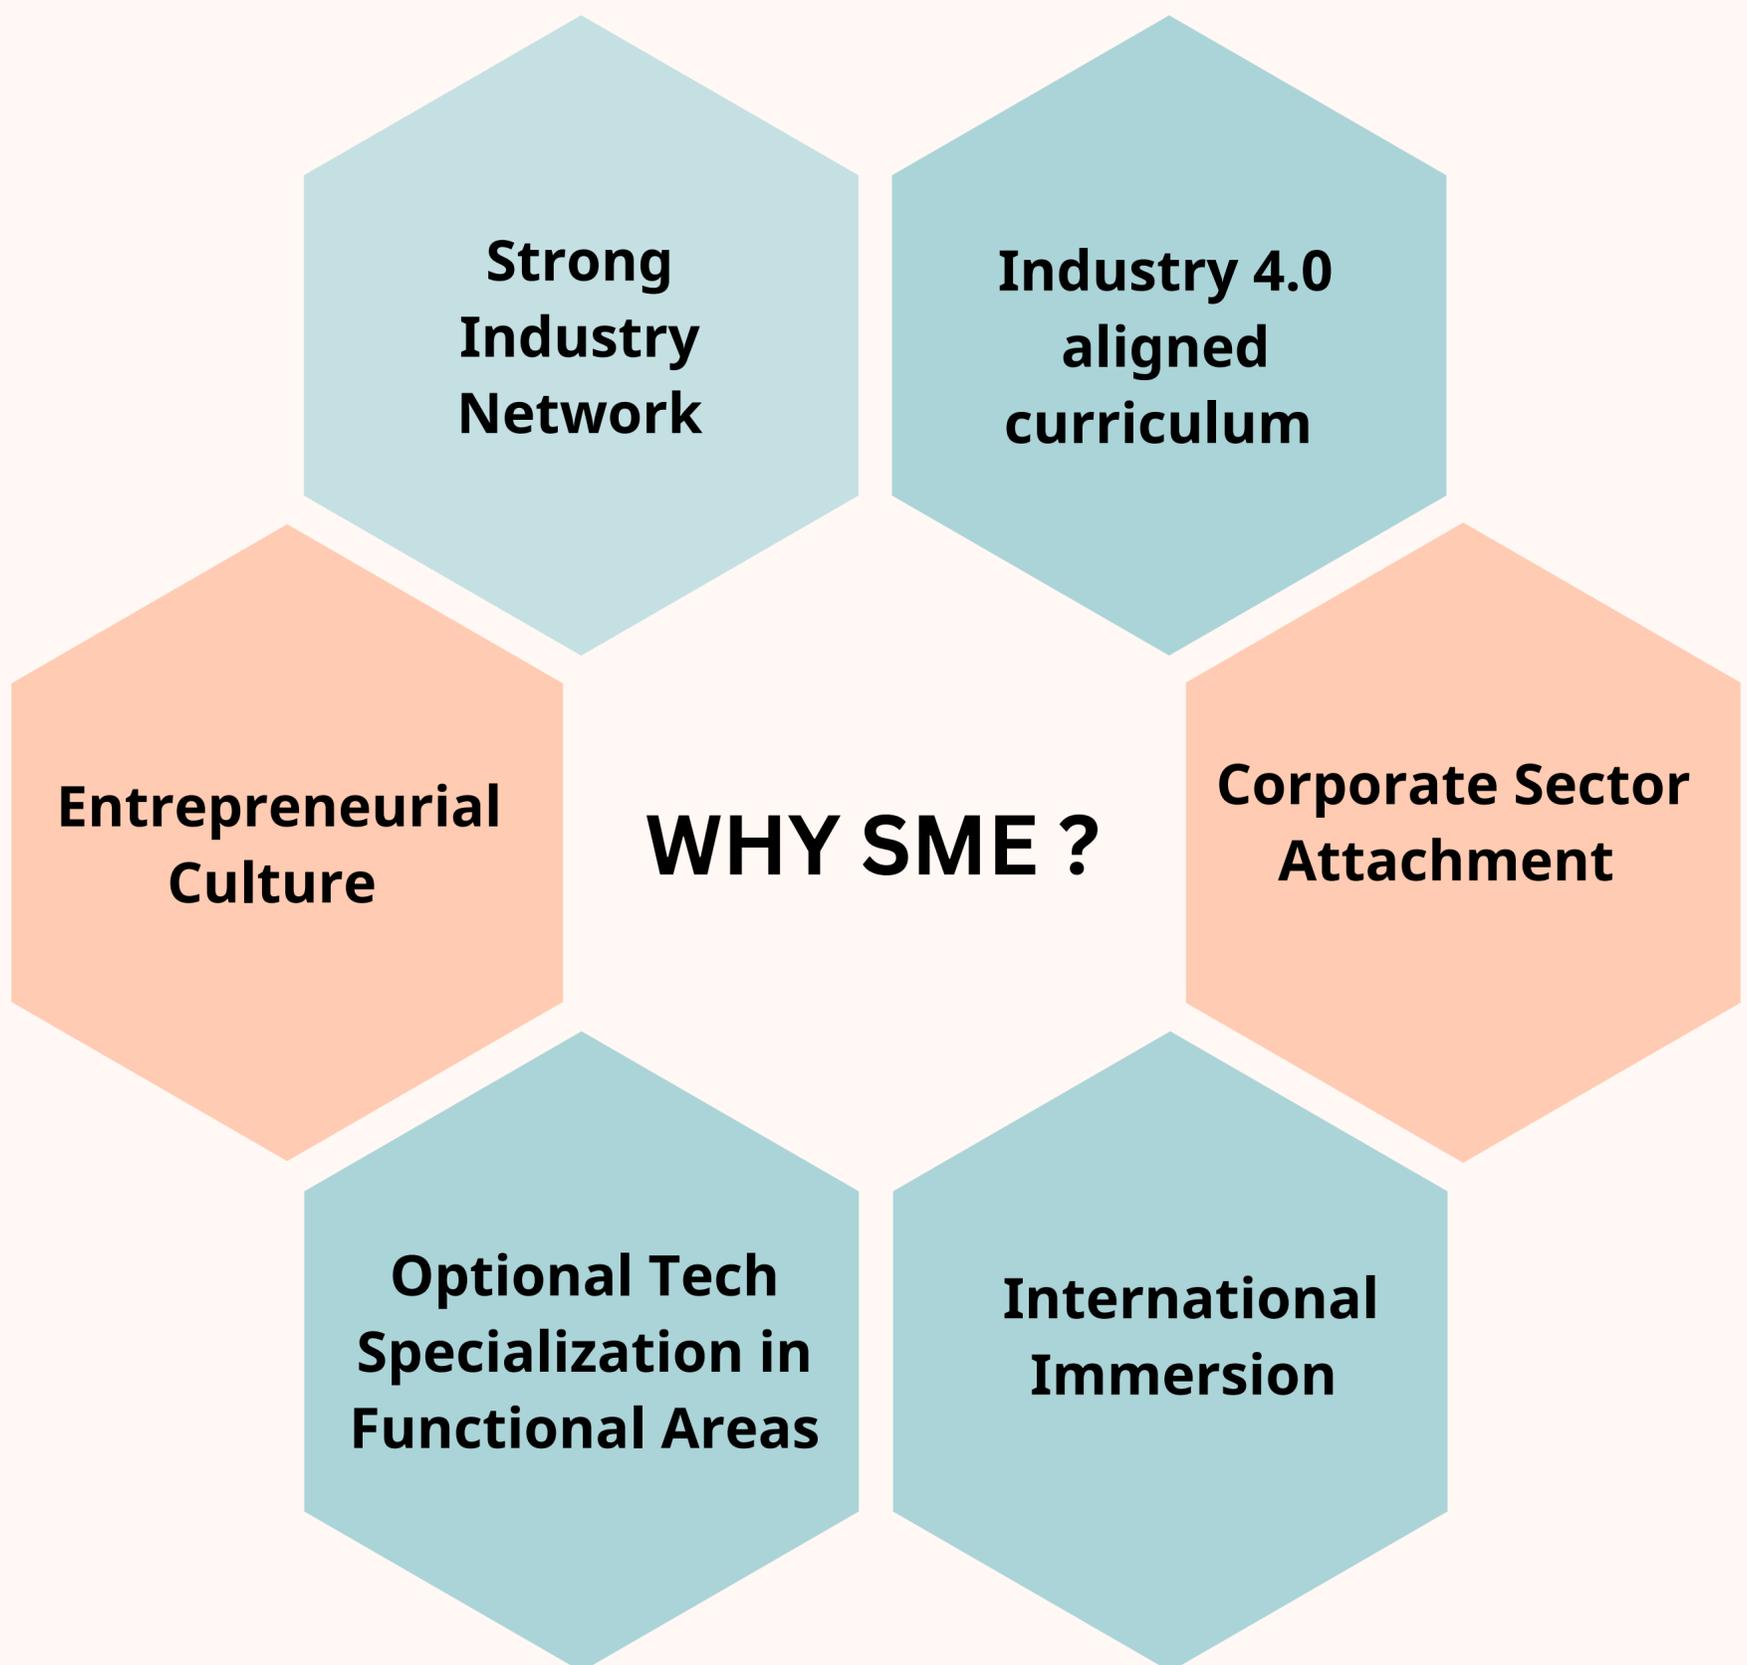

Mission

To be a management school of choice for graduates, researchers and employers, looking for techno-managerial expertise. To be amongst the top 20 institutions in the NIRF rankings for Management Schools in India by 2025. To create a vibrant management school based on the three pillars of teaching, research, and industry collaboration. To be a leader in the world for studies on futuristic coalition of technology and management. To promote and support entrepreneurship as a practical vocation and conduct research to enhance entrepreneurial capability in the nation and beyond. To prepare socially responsible future leaders working with high values of ethics, inclusivity, and foresight for the development of the nation and humanity as a whole.

Core Values

Uphold highest levels of human integrity and dignity Not take unfair advantage of any stakeholder of the Institute Work towards building the most admired technology Institute furthering interests of Students, Industries and Society Commit to economic development of India through technological thought and action Be ethical, sincere and open in all transactions; and Be continually responsible for upholding utmost confidentiality of all information and circumstances arising out of any interaction.
