About SME

The School of Management and Entrepreneurship (SME) at Indian Institute of Technology (IIT) Jodhpur is one of a kind B-school that offers a distinctive blend of technology-driven management education, with a strong emphasis on interdisciplinary education, combining the best of both management and technology, with a deep understanding of modern technologies such as artificial intelligence (AI), data science, blockchain, and digital transformation. This approach ensures that students are well-prepared to face the challenges of a business world increasingly shaped by technological disruptions.

The unique aspects of the SME is its focus on practical, project-based learning, innovation and entrepreneurship, where students are encouraged to work on real-world problems, engaging with live projects, case studies, and industry collaborations to apply their knowledge; deploy opportunities to collaborate with industry leaders, ensuring that students are attuned to the latest trends and challenges in the business world.

DIRECTOR'S MESSAGE

PROF. AVINASH KUMAR AGARWAL
DIRECTOR
IIT JODHPUR

It gives me immense pleasure to welcome you to the School of Management and Entrepreneurship (SME), IIT Jodhpur. At SME, we have tirelessly envisioned sculpting future leaders who are not only proficient in their respective domains in management and industry-ready technological skills but are also empathetic individuals who understand the significance of their social responsibility. This has been possible due to our uniquely designed curriculum with a compulsory social sector attachment.

The credit for the same can be given to our Distinguished Faculty who are industry experts and have rigorously crafted a curriculum that bridges the gap between theoretical knowledge and practical experience.

The students at SME are groomed to apply the strategic application of theoretical concepts to complex and real-life business situations. Our students are selected carefully through the Common Admission Test (CAT) followed by a personal interview. They come from different parts of the country with diverse educational backgrounds and graduated from institutions like IITS, NIT, DU, JNU, and other esteemed institutions.

Besides, SME is poised to contribute to the practice outreach of IIT Jodhpur by being an innovation hub. SME will contribute to the community through cuttingedge training and development programs, enabling seasoned professionals across sectors to hone their managerial skills and business acumen. I wish SME and all its stakeholders a purposeful and joyful journey ahead and facilitate all its endeavors. I invite you to be part of this exciting journey and participate in the success of SME at IIT Jodhpur.

FROM HEAD'S DESK

PROF. DR. DEEPAK KUMAR SAXENA
HEAD
SME-IIT JODHPUR

As the head of the School of Management and Entrepreneurship (SME) at IIT Jodhpur, I extend a warm welcome and best wishes to all the potential and current recruiters. I encourage you to establish a bond with SME and its pool of brilliant students. Our carefully curated academic programs has courses, labs, live projects and industry interaction in cutting-edge areas of management and technology. With dynamic collaborations with industry experts, we always put all our efforts into preparing our students as future-ready managers and business leaders. I wish to assure the recruiting team that you will find unmatched value in our students.

At the SME, IIT Jodhpur, we commit to shaping leaders who thrive at the intersection of technology, management, and humanity. Since our inception in 2020, we have envisioned SME as more than a management school. It is a platform where academics, research, and industry collaboration create future-ready professionals. Our programs are designed not only to instill core management knowledge but also to nourish foresight, ethical values, and entrepreneurial spirit. At SME, we strive to develop such leaders who will contribute meaningfully to organizations, society, and the nation. I warmly invite recruiters and partners to connect with our students, experience their capabilities, and be part of our journey in building India's next generation of impactful managers and entrepreneurs.

FROM CHAIRPERSON'S DESK

DR MAGESH NAGARAJAN
ASSOCIATE PROFESSOR
SME-IIT JODHPUR

VISION

- To Become India's top thought leader in technology focused management education, research and entrepreneurship in decade's time by spawning a new generation of managers, entrepreneurs and leaders equipped with foresight based on a blend of technology and humanity, achieved by thorough trainings in AI, data science, block chain, etc.

MISSION

- To be a management school of choice for graduates, researchers and employers, looking for techno-managerial expertise and be amongst the top 20 institutions in NIRF rankings by 2025.
- To create a vibrant management school based on the three pillars of teaching, research, and industry collaboration and be a leader for studies on a futuristic coalition of technology and management.
- To promote and support entrepreneurship as a practical vocation, conduct research for entrepreneurial capability and prepare socially responsible future leaders working with high values of ethics, inclusivity, and foresight.

CORE VALUES

- Uphold highest levels of human integrity and dignity and not take unfair advantage of any stakeholder of the Institute.
- Work towards building the most admired technology Institute furthering interests of Students, Industries and Society as well as commit to economic development of India.
- Be ethical, sincere and open in all transactions and be continually responsible for upholding confidentiality.

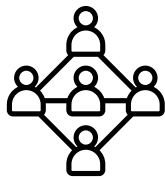

WHY SME?

Driving Social Impact

Global Learning Immersion

Strong Industry Network

Future-Ready MBA in FinTech & Cybersecurity

Unparalleled Corporate Connect

Tech-Enabled Functional Specializations

Curriculum Synced with Industry 4.0

Empowering Entrepreneurial Leaders

जोधपुर

“

Known as the “Blue City” and the “Gateway to Thar,” Jodhpur is a blend of modernity and tradition. Students can explore historic forts, vibrant markets, and cultural festivals while enjoying a safe and welcoming local community, rich in culture. With growing industrial hubs, start-ups, and government-backed projects in Rajasthan, Jodhpur is slowly becoming a hotspot for internships, live projects, and industry exposure.

”

HOW TO REACH IIT JODHPUR

IIT Jodhpur is located on NH-62, Karwar, about 24 km from the city center, and is easily accessible by air, rail, and road. The Jodhpur Airport (28 km) has daily flights from Delhi, Mumbai, Ahmedabad, Jaipur, and more. Jodhpur Junction Railway Station (25 km) connects the city to major metros like Delhi, Mumbai, Kolkata, and Chennai. Road links connect Jodhpur to Jaipur (330 km), Udaipur (250 km), Ahmedabad (450 km), and Delhi (600 km). Local travel is convenient with taxis, buses, and auto-rickshaws, taking about 40 minutes from the city center to the campus.
