Annexure-A

Mobility Research Grant Scheme

The Mobility Research Grant Scheme would facilitate new Faculty Member (Assistant Professor) and his / her one Ph.D student as per following guidelines:

Eligibility:	The new Faculty of the Institute are eligible for Mobility Research Grant within the 3 Years from date of joining.
Financial Support:	The mobility grant upto Rs. 10 Lakh would be provided to support travel and subsistence allowance and contingency expenses to the Assistant Professor and his / her one Ph.D student to visit the laboratories of foreign collaborator during two consecutive years. Only in special case, travel grant will be available in the third year. The mobility research grant can also be utilized for hosting foreign collaborator at IIT Jodhpur. The Faculty and student can receive additional support from the host institution. Subsequent support of collaboration is expected to be managed through external projects. All rules of DST will be applicable for per-diem subsistence allowances during International Travel.
Leave Rule for Faculty & Student	All standard leave rules will apply for the period of absence from the Institute.
Maximum duration of Stay for student	A student can spend maximum of one year in the lab of the collaborator for carrying out part of his/her Ph.D thesis work.
Source of Fund:	The Mobility Research Grant would be supported from the R&D Project Overhead of the Institute.
Maximum Funding	Maximum 10 projects under this scheme during a Financial Year would be funded subject to availability of funds
Selection Process	A rigorous two-stage peer-review process would be followed for selection of project for funding as under: (i) First-round by IITJ Internal Screening Committee; and (ii) Second round by External Peer-Review process based upon presentation of each shortlisted project. The expenditure related to travel, local accommodation, hosting and honorarium to experts for the Selection process would be supported from the R&D Project Overhead of the Institute.
Application cycle:	The project proposal would be called every year and the results would be announced by 30 April each year.
