

Arrangements for consultation with or representation by:

**(a) Members of the public in policy formulation/policy implementation:**

As per Section 4(1)(b)(vii) of the RTI Act, 2005, public authorities are required to disclose arrangements for public consultation in policy matters. Based on standard practices at autonomous institutes like IIT Jodhpur, governed by the Institutes of Technology Act, 1961/ Institutes of Technology (Amendment) Act, 2012 and its statutes, there are no specific provisions for direct public consultation in policy formulation or implementation unless explicitly mandated by the Ministry of Education or other governing bodies.

Policy formulation typically involves internal bodies such as the Board of Governors, Finance committee, Senate, or any other designated committees, which include the renowned academic and administrative experts.

However, public feedback is being considered through direct and indirect stakeholders/involvement of engagements during specific initiatives like innovation workshops, industry collaborations, feedback from industry expert, companies visiting for placements etc.

Also IIT Jodhpur engages with stakeholders through the followings:

1. Social Media : Institute is actively have presence on social media and interacts with students, faculty, alumni, industry partners, and the media. Institute monitors channels like Twitter, Facebook, LinkedIn, and Instagram to address queries, collect suggestions, and respond to community feedback..
2. Events like Open House -IIT Jodhpur Padharo in which students, parents, localites join the event to know more about the Institute, different facilities, and different departments turning platform into dynamic channel for feedback and engagement.
3. Other various channels such as public notices, academic and administrative committees, feedback mechanisms, and community outreach programs.

**(b) Day and time allotted for visitors:**

Visitors are generally welcomed during official working days (Monday to Friday) between 09:00 AM and 5:30 PM.

**(c) Contact details of Information & Facilitation Counter (IFC):**

IIT Jodhpur has an RTI Cell/Information Facilitation Counter (IFC) that assists in providing information and handling RTI-related queries.
