Dear Sir,

With reference to the request for inputs on Rajya Sabha Unstarred Question No. 1472 regarding "*Mentorship and Collaboration Between Established and Newly Formed Institutions*," please find below the inputs from IIT Jodhpur:

a) Mentorship Programs for Newer IITs/NITs/IISERs

Yes, the Government has taken initiatives to facilitate mentorship programs where older IITs provide guidance to newly established IITs, NITs, and IISERs. IIT Jodhpur itself was initially mentored by IIT Kanpur during its formative years. The mentorship focused on academic program development, faculty recruitment, infrastructure planning, and governance frameworks.

Even after the initial phase, newer IITs like IIT Jodhpur continue to benefit from collaborations with older IITs in areas such as joint research projects, faculty exchange, and academic program enhancement. Various inter-IIT forums also facilitate continuous knowledge sharing and best practices exchange.

(b) Mentorship Between Central Universities and State/Central Universities

This pertains to Central Universities.

(c) Steps to Foster Knowledge Sharing, Resource Pooling, and Collaboration

IIT Jodhpur is undertaking following measures to promote collaboration among institutions:

- 1. Joint Research and Innovation Initiatives** – Programs like SERB, IMPRINT, SPARC, GIAN and joint funding initiatives encourage collaboration between established and newer IITs, IISERs, and NITs. IIT Jodhpur has executed various GIAN short term courses, as well as SERB and various other funded projects.
- 2. Inter-IIT/NIT Research Collaborations**– IIT Jodhpur actively collaborates with established IITs in multi-institutional research projects and joint PhD programs. As one of the new initiatives under the leadership of Director Professor Avinash Kumar Agarwal, IIT Jodhpur has initiated "Direct Admission Opportunities for meritorious students of NITs to get enrolled in PhD programs of IIT Jodhpur."
- 3. Shared Access to Research Facilities** – IIT Jodhpur has developed various state-of-the-art laboratories and computational resources which are being availed by researchers from other institutions across the states as well as the nation.
- 4. Faculty and Student Exchange Programs** – Exchange initiatives facilitate knowledge transfer and exposure for faculty and students across institutions. IIT Jodhpur has active international student/semester exchange programs under which international students come to the campus for their studies. Further, IIT Jodhpur faculties are also contributing towards various government-funding based exchange programs, viz., SERB International Research Experience (SIRE), DAAD visiting fellowships etc.
- 5. Digital Learning Platforms** – IIT Jodhpur faculty members are also actively participating in the national level digital learning initiatives such as SWAYAM, NPTEL, and Virtual Labs enhance resource-sharing across institutions.

IIT Jodhpur remains committed to fostering collaboration and supporting the development of newer institutions through active engagement in joint research, resource-sharing initiatives, and academic partnerships.

Thanking You,

Sincerely,

 **List of Centre of Excellence at IIT Jodhpur.docx**
18K

Centre of Excellence(s) (CoE) at IIT Jodhpur

1. **DRDO Industry Academia- Centre of Excellence (DIA-CoE), IIT Jodhpur** for collaborative directed research under the identified research areas. DRDO and IITJ have jointly decided the following research verticals:

- Desert Warfare Technologies
- Futuristic Omni Mobility Systems
- AI for information and war gaming technologies

Centres of Excellence at the School of Artificial Intelligence and Data Science (SAIDE), IIT Jodhpur are dedicated hubs of transdisciplinary collaboration, focusing on specific areas of research and education. These centres provide a unique and distinguished capability to conduct high-quality fundamental and translational research, addressing pressing challenges and opportunities in today's world:

2. **Ayurtech:** A Centre of Excellence in Ayurtech supported by the Ministry of Ayush, Govt. of India under the School of Artificial Intelligence and Data Science (AIDE), IITJ as part of CoE - AI based Precision Healthcare
3. CoE- Brain Science and Applications
4. CoE- Mathematical and Computational Economics
5. CoE- Intelligent Infrastructure
6. **The Centre of Excellence for Arts and Digital Immersion (CoE-ADI)-** The Centre of Excellence for Arts and Digital Immersion (ADI) at the Indian Institute of Technology Jodhpur (IIT Jodhpur) is a pioneering initiative housed within the School of Liberal Arts (SoLA), IITJ established on September 19, 2022. CoE-ADI focuses on diverse art forms, including Visual Arts (painting, sculpture), Performing Arts (theater, music, dance), and other creative expressions. Leveraging advanced digital tools like Virtual Reality (VR), Augmented Reality (AR), Mixed Reality (MR), and Extended Reality (ER), the center creates immersive environments that redefine artistic experiences. It also delves into cutting-edge areas such as AI-driven art, digital gaming, comics, animation, and the sociological analysis of emerging art forms.
7. **Center of Excellence on Intellectual Property (CoE-IP)-** The Center of Excellence on Intellectual Property (CoE-IP) at IIT Jodhpur is a premier initiative established to support and nurture innovation through robust Intellectual Property (IP) protection, management, and utilization. Rooted in IIT Jodhpur's commitment to interdisciplinary education and socio-economic development, CoE-IP plays a pivotal role in empowering innovators, researchers, students, faculty, and startups with comprehensive IP services. Situated at the School of Management and Entrepreneurship (SME), IIT Jodhpur, the CoE-IP bridges technology, management, and policy to build a resilient ecosystem for IP. It functions as a dynamic hub for consulting, research, and training while actively contributing to national and regional innovation frameworks.
 - To be coveted destination for Education and Research on IP and related areas
 - To be leading Center for IP generation, IP Portfolio construction and IP exploitation
 - To be the prime mover for creating IP strategy for Start-ups and innovators

Dear Sh. Nilesh Ji,

The inputs from IIT Jodhpur are given below for kind information:

(a) the specific criteria and eligibility norms for students from Tier-2 and Tier-3 colleges in Andhra Pradesh to opt for minor specialization, diploma, degree programs through IITs;

Reply: There is no specific criteria or eligibility norms for the students from Tier-2/Tier-3 colleges in Andhra Pradesh. Students are admitted to various Academic Programs at IIT Jodhpur through across India entrance exams such as JEE-Advanced, GATE, JAM etc.

(b) whether there will be dedicated quotas or reservation policies for students from Andhra Pradesh to ensure equitable access to these collaborative programs offered by IITs; and

Reply: There is no specific quota or reservation policy for students of any particular State and IIT Jodhpur follows Govt. of India Reservation Policy.

(c) How Government and NSDC will address potential infrastructure and technological limitations in Tier-2 and Tier-3 colleges in Andhra Pradesh to ensure that students can effectively participate in online IIT courses?

PARLIAMENT MATTER

Respected Sir/Madam,

Greetings!

I am directed to attach and forward a copy of **Admitted Lok Sabha Unstarred Question No. 1839 to be answered on 01/08/2024 regarding "Implementation of reservation in PhD courses"**. The text of the Question reads as under :

- (a) the number of ST students admitted in PhD programmes of IITs during the last two academic years, institution-wise; and
- (b) the measures taken by the Government to ensure strict implementation of reservation in PhD courses of IITs, if any?

2. It is requested that the inputs for replying the above question may kindly be sent to this Ministry (in Google-Sheet) by **27.07.2024 (Forenoon), positively.**

Google Sheet Link:- <https://docs.google.com/spreadsheets/d/1al-qFSfqZy-4RjEj1q-5K5Esc5nZqxtWofrwHIRj0J0/edit?usp=sharing>

3. This may please be accorded "**TOP PRIORITY**".

Rajya Sabha Starred Question No. 94 for 31.07.2024
Regarding "Professors of Practice" in higher educational institutions"

Sl.	Name of the IIT's	(a) Whether reservation policy is applicable for engagements as "Professors of Practice" in your institute recently introduced	(b) if not, the reasons therefor;	If the institute is not following UGC guidelines as mentioned in Col (a), please mention the guidelines being followed alongwith reservation norms, if any.	(c) the number of persons belonging to GEN, SC, ST and OBC categories engaged as "Professors of Practice" till date or still being engaged				Remarks
					GEN	SC	ST	OBC	
1	IIT Kharagpur								
2	IIT Bombay	No	The Professor of Practice positions are not regular faculty positions. The hiring of a 'Professor of practice' will not fill any of the sanctioned posts of the institutions. The scheme will not affect the number of sanctioned posts or the recruitment of regular faculty members. The National Education Policy 2020 recommends to transform higher education by focusing on skill- based education to meet needs of the industry and the economy. Further, the NEP also recommends integrating vocational education with general education and strengthening industry-academia collaboration in HEIs. The UGC has taken an initiative to bring the industry and other professional expertise into the academic institutions through the positions called "Professor of Practice". This will help to take real world practices and experiences into the class rooms and also augment the faculty resources in higher education institutions. In turn, the industry and society will benefit from trained graduates equipped with the relevant skills. Appointments are in line with the guidelines of MoE. As of date, IIT Madras has appointed 34 Professor of Practice (PoP) as per the requirement of domain expertise. However, the PoP does not occupy a sanctioned post of a Professor in IIT Madras. Professor of Practice are not part of teaching cadre as it is not mandatory for them to have Ph.D. qualification. The selection was purely based on the expertise required to strengthen Academia-Industry resources in the area of research.						
3	IIT Madras	No		Not applicable, in view of the reply given in column (a) & (b)	34	-	-	-	Category not known; hence it is shown against GE category.
4	IIT Kanpur								
5	IIT Delhi	The institute is in the process of formulating reservation policy in the recruitment of Professor of Practice.	Not applicable		9	1	0	0	The data provided is as on 30.06.2024.
6	IIT Guwahati								
7	IIT Roorkee	No	Positions of Professors of Practice (PoP) are not counted towards the sanctioned posts of faculty.	The institute follows guidelines duly approved by the Board of Governors.					Category-wise details are not available.
8	IIT (BHU) Varanasi								
9	IIT (ISM) Dhanbad		NA	IIT Gandhinagar follows the reservation guidelines issued by MoE					
10	IIT Gandhinagar	IIT Gandhinagar is not governed by UGC			5	0	0	0	
11	IIT Bhubaneswar								
12	IIT Hyderabad	No at IITH	As they are bringing industrial expertise and there are very few available	BoG approved guidelines being followed	Nil	Nil	Nil	Nil	
13	IIT Jodhpur	No	Professor of Practice is temporary position and contractual in nature for one year. Therefore, there is no reservation policy in place.	BoG approved guidelines being followed	3	-	-	-

INPUT FROM IIT JODHPUR

18.07.2024

Subject: Lok Sabha Provisionally Admitted Question regarding "Multilingual assessments in Design Education" to be answered on 22/07/2024

1. Whether the government has recognised the importance of introducing multilingual assessments in Design education; and
2. If so, the steps the government wish to take to address the issue?

Inputs :

Entry to various design and design-related courses in government-funded institutions is through a national-level exam such as uCEED and CEED to IITs, DAT for NIDs, NATA for architecture, GAT and CAT for NIFT, etc.

The phrase "assessments in Design education" in the questions raised is assumed to refer to the above exams.

At IIT Jodhpur takes M.Des. Students through CEED (conducted by IIT Bombay) and through a design task created by the School of Design at IITJ specifically for our applicants.

The tests have a very high component of visual thinking (as different from verbal ability) and, thus, is language-independent. The language of English is used only to administer the test, for which it can safely be assumed that a middle-school working knowledge of English is required.

The assessments mainly need only a simple working knowledge of English and requires a high level of visual thinking and illustration skill.

SO (VKS)

18.07.2024

Subject: Lok Sabha D.No. 158 for 22.07.2024 regarding "Restoring India as Global Hub of Education"

(a) Whether the Government is committed for restoring the place of India as a global hub of Education, if so, what are the concrete steps undertaken by the Government for realizing the vision of making India, a preferred destination of Education.

The Indian Institute of Technology (IIT) Jodhpur is dedicated to establishing itself as a global hub for education. To achieve this vision, the Institute has implemented various measures focused on providing high-quality education and research opportunities. IIT Jodhpur emphasizes internationalization by fostering partnerships with foreign institutions and organizations to collaborate on research and development, joint research initiatives, establishment of centers of excellence, and academic collaborations such as student exchange programs, dual degree programs, outreach activities, and curriculum development. So far, the Institute has hosted international students from countries including France, Indonesia, Syria, Nepal, Cambodia, and Bangladesh. Currently, IIT Jodhpur has over 30 Memorandums of Understanding (MoUs) and agreements with foreign universities from the USA, France, Russia, Germany, UK, Norway, Switzerland, Japan, and Australia. Admissions for international students are primarily conducted through the Study in India (SII) Portal, ASEAN-DIA, and ICCR Portal, as well as the Institute's own admission portal. The Institute also recruits faculty members from foreign nationals to enhance its academic environment and promote globalization.

(b) For the successful attainment of the aforementioned goal, whether the Government has taken any measure to facilitate the foreign students in getting comprehensive information about the Indian Higher Education Institutions (HEIs)

To ensure foreign students can easily access detailed information about IIT Jodhpur, including courses, admission processes, scholarships, and campus life, the Institute has created a dedicated website for international relations. This information is also actively disseminated through the Internal Relations Office's social media pages. Additionally, IIT Jodhpur organizes outreach programs for international exchanges and admissions periodically. The Office of International Relations provides support to international students on matters related to admissions, visas, accommodation, and cultural acclimatization.

(c) If so, what is the necessary criteria for higher educational institutes to qualify for enrolling foreign students.

For higher educational institutions like IIT Jodhpur to qualify for enrolling foreign students, the necessary criteria vary depending on the program. For B.Tech. admissions, the criteria are primarily determined by the Joint Seat Allocation Authority (JOSAA). For other courses, the criteria are set by the Institute based on collaboration terms, ensuring compliance with the primary criteria of government portals such as the Study in India (SII), ASEAN-DIA, and ICCR portals.

Respected Sir/Madam,

Greetings!

I am directed to attach and forward a copy of **Provisionally Admitted Lok Sabha Starred/Unstarred Question Diary No. 294 to be answered on 22/07/2024 regarding " Status of IITs established with Foreign Collaboration"**. The text of the Question reads as under :

- (a) whether many IITs established with the partnership of top foreign technological universities like United States, the Soviet Union, the United Kingdom and Germany to achieve both excellence and reputations in line with top foreign universities; If so, the details thereof;
- (b) whether these institutions are struggling to meet the desired high standards of the foreign traditional institutes as they were located away from major metropolitan centres such as the Indian School of Mines Dhanbad, while others were "greenfield" start-ups;
- (c) whether top professors are often unwilling to work in isolated places, and students are also hesitant to enroll themselves because of which in 2021-22, 361 undergraduate, 3,083 postgraduate and 1,852 PhD seats were empty in the new IITs and facing faculty challenges; and
- (d) if so, the details thereof and the corrective steps being taken by the government to overcome the challenges?

2. It is requested that the inputs for replying the above question may kindly be sent to this Ministry (in Google-Sheet) by **15.07.2024 (forenoon)**, positively.

Provisionally Admitted Question for the Raja Sabha Starred/Unstarred Diary No. S479 for 24/07/2024 Regarding : Retraction of Research Papers by IITs

S.No.	Name of the IITs	Whether Indian Institutes of Technology at many places in the country had to retract several research papers in the last few years;	If so the reasons thereof	Whether this action on the part of IITs had affected the scientific reputation of the country;	What are the corrective measures taken in this regard; and	Whether any advisory has been issued to the authors of the research papers;
1	IIT Kharagpur					
2	IIT Bombay	No retractions of research papers since last 3 years.	NA	NA	NA	NA
3	IIT Madras					
4	IIT Kanpur					
5	IIT Delhi	No, IIT Delhi has not retracted any paper. However, the total number of retracted papers by authors with IIT Delhi affiliation is 22, from the year 2001 to 2024 (till now), over which period the total number of publications is 45527. Reasons for retraction include discrepancies in the description of the research reported, lack of confidence in the results and conclusions of the article, concerns about the validity of the data, and incorporating text and figures of a similar nature and no citation to earlier work.	-	No	The authors are sensitized	No
6	IIT Guwahati					
7	IIT Roorkee	Few retractions have been made in past several years.	There have been several reasons to retractions: a) Overlap between a conference proceeding publication and a journal publication by the same authors. b) Overlooking of the references and due acknowledgement in some cases. c) Intentional Plagiarism by one of the authors.	As intentional cases may be counted on fingers and none of the cases is related to the connivance of all the authors hence scientific reputation of the institution is not affected. Further academic fraternity understands the reasons of such cases as those a transparently published on the relevant data bases. Other reason is that IIT Roorkee holds a strong legacy and standards which are known to the academic world.	a) A pledge appears on the academic portal everytime a faculty logs in and one has to pledge before one may proceed. This keeps on reminding everyone on the level of standards one has to follow. b) Only and only the faculty members may be the corresponding author in any paper presented or published from the institute in any guided research, which makes the faculty member responsible for any lapses and therefore the incidents have dropped to almost zero accept for some negligence cases.	Continuous advisories are issued in general as well as in specific cases. Specific committees are constituted for every reported case. These fact finding committees deliberate on every aspect and file reports, which are considered for specific actions for the competent authority.
8	IIT (BHU) Varanasi	The Institute has not retracted any publications. Moreover, the Institute has not received any information/complaint about retraction of Research Papers in last few years	NA	NA	NA	NA
9	IIT (ISM) Dhanbad					
10	IIT Gandhinagar					
11	IIT Bhubaneswar					
12	IIT Hyderabad					
13	IIT Jodhpur					
14	IIT Ropar	Yes (One Paper)	The paper was retracted as per the publisher's policy on non-presented papers.	As voluntarily retracted, there was no such impact	The Institute is vigilant to avoid any such cases.	The Authors were sensitized.
15	IIT Patna					

16	IIT Indore	Yes	One case of retraction of a Research paper in 2023 is reported. Incomplete acknowledgement about the contribution of the fellow Researcher in the part of the research work.	The researcher has forwarded a request for retraction and the same is in process. Being a specialized research area, it would not affect the scientific reputation of the nation as such.	At the Institute level, awareness sessions are organized to sensitize Research scholars for proper research protocol, acknowledgement to avoid any case of plagiarism in publication.	Yes
17	IIT Mandi					
18	IIT Palakkad	There is no retraction of Research Paper in IIT Palakkad. The information may be treated as NIL.	NA	NA	NA	NA
