

Instructions on DH MSc Interviews (with slots and links)

Dear Candidates,

Pls find the slots against your application numbers. There are two slots in one specific time-period as we have two parallel panels. You need to join the waiting room during your prescribed slot. Teaching assistants will be there. When your time comes, you will be asked to leave the waiting room and join the main interview room (link will be provided by the TA). Pls find the slot system explained and the waiting room links attached.
