

Poster Guidelines

- ❖ Poster size should not be beyond 3×4 feet (width×length) in dimensions, and orientation should be portrait.
- ❖ There is no specific template for posters; however, the content should be similar to your accepted abstract.
 - It should include Title, all author's name
 - Underline the presenter's name and affiliation
 - Your poster must include your abstract ID and symposium topic (i.e., BP/CD.....etc.) in which you are going to present.
 - Clearly state purpose/motivation, methodology, results and conclusion
- ❖ The printed posters will be preferred on paper and not on plastic.
- ❖ The posters of a particular day should be displayed at the start of the day in the pre-allotted place of the symposium venue.
