News and Views

IIT Jodhpur as a second-generation IIT has initiated to set-up a state-of-the-art Animal House Facility in its campus and construction of animal house building is in full swing and expected to be completed in November 2020. This facility will help to successful validation of various projects related to healthcare technologies, medical implant, drug discovery and behavioral neuroscience.

Professor Santanu Chaudhury, Director IIT Jodhpur at the foundation day ceremony.

Foundation stone laying ceremony for the animal house.

The site is under construction.
