Institute invites online tenders from reputed service providers for the **Rewilding Work** at Indian Institute of Technology Jodhpur (IITJ) situated on NH 62, Nagaur Road at Karwar village, Jodhpur District. **Submission of Online Tender is must and considered valid, must reach the Institute by the last date of submission.** The tender document can be downloaded from the CPP Portal (<http://eprocure.gov.in/eprocure/app>) & Institute website <http://www.iitj.ac.in/tenders/index.php?id=services>.

The online bid submission should be done as per last date of submission on 07-03-2022 upto 15:00 Hrs. The Tenders received shall be opened on 08-03-2022 at 16:00 Hrs in the Office of Stores and Purchase, Administrative Building, IIT Jodhpur, NH-62, Nagaur Road, Karwar, Jodhpur-342030.

1. Instructions for Online Bid Submission:

- 1.1 The tenders will be received online through portal <http://eprocure.gov.in/eprocure/app>. In the Technical Bids; the bidders are required to upload all the documents in .pdf format. All quotations both Technical and Financial should be submitted in the E-procurement portal;
- 1.2 Possession of a Valid Class II/III Digital Signature Certificate (DSC) in the form of smart card/e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through <http://eprocure.gov.in/eprocure/app>. Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site <https://eprocure.gov.in/eprocure/app> under the link "Information about DSC"; and
- 1.3 The Institute will not be responsible for any type of technical issue regarding uploading of Tender on the website.

2. SEARCHING FOR TENDER DOCUMENTS

- 2.1 There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal;
- 2.2 Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document; and
- 2.3 The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

3. PREPARATION OF BIDS

- 3.1 Bidder should take into account any corrigendum published on the tender document before submitting their bids;
- 3.2 Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid;
- 3.3 Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS formats. Bid documents may be scanned with 100 dpi with black and white option; and
- 3.4 To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

4. SUBMISSION OF BIDS

- 4.1 Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues;
- 4.2 The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document;
- 4.3 Financial Bids can be submitted in BOQ format (As per xls);
- 4.4 The bidder may add rows to include the prices of all components & warranties, installation etc. whichever applicable;
- 4.5 The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission;
- 4.6 The uploaded tender documents become readable only after the tender opening by the authorized bid openers;
- 4.7 Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details; and
- 4.8 Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

5. Assistance to bidders

- 5.1 Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender; and
- 5.2 Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 0120-4200462, 0120-4001002, 0120-4001005, 0120-6277787.

6. Amendment of Tender Document :

At any time prior to the deadline for submission of proposals, Institute may for any reason, whether at its own initiative or in response to a clarification requested by a prospective Tenderer modify the Tender Document by issuing an addendum/corrigendum. Any Addendum/corrigendum thus issued shall become a part of the Tender Document and will also be posted on the website of the Institute. To provide reasonable time to the prospective Tenderers to take an addendum into account while preparing their proposals, the deadline for submission of proposals may be extended, at the discretion of the competent authority, if required.

7. Other instructions

The other instructions related to submitting the bid are as below:

- 7.1 The bid document shall be completed in all respects, and every page of the same along with all attachments shall be signed by the authorized person on the behalf of the bidder;
- 7.2 Striking off of any text shall be avoided. But, if the same is unavoidable, it shall be duly attested and re-signed;
- 7.3 The bid shall neither be ambiguous nor shall contain insufficient information. The bidder shall

not be allowed to make any addition or alteration in the bid after submission. Also, conditional bids shall not be entertained;

- 7.4 If the space for any information to be provided in the bid against any column(s) is insufficient, the same may be provided in a separate sheet and duly attached with the bid; and
- 7.5 The successful bidder, to whom acceptance of its bid, has been finally communicated, shall furnish a non-judicial stamp paper of Rs.100 its name (at its own cost) for signing of the agreement; and these guidelines and letter of acceptance of the bid shall form the part of the agreement to be signed by the successful party.

8 Online Bid Prices:

The Bidder shall indicate on the Price Schedule the unit price and total bid prices of the goods it proposes to supply under the Contract. To this end, the Bidders are allowed the option to submit the online bids for any one or more schedule specified in the "Schedule of Requirement" and to offer discounts for combined schedules. However, Bidders shall quote for the complete requirement of goods and services specified under each schedule on a single responsibility basis, failing which such bids (for the schedule in question) will not be taken into account for evaluation and will not be considered for award.

**Tender for Rewilding Work at IIT Jodhpur(Karwar),
Rajasthan**

NOTICE INVITING TENDER

1. Description of project:

Indian Institute of Technology Jodhpur (an Institute of National Importance) located at NH-62, Karwar, Jodhpur 342030 would like to invite bids to carry out Rewilding of an area of 2,00,000 sq. meters inside the Institute. Rewilding is a set of interventions to restore the natural ecology of habitats that have been degraded or destroyed. It is about encouraging micro-organisms to re-inhabit degraded soil and bringing back communities of plants that are perfectly adapted to live in particular soil conditions, climate and moisture regime. The Institute is looking to recreate the right conditions by facilitating the natural regeneration of desert plant species, and by reintroducing any such plant species that have disappeared.

2. Scope of Work:

1. Rewilding Plan: Overall Planning & Concept for Habitat Enrichment and Recovery;
2. Eradication of invasive trees (mainly Prosopis juliflora and Acacia tortilis) from the entire habitat so that the landscape becomes free of their deleterious effects; also bhurat (Cenchrus biflorus) grass;
3. Seed collection (from far and wide) in cognate (calcareous) soils in Western Rajasthan for gradual enrichment of the suite of plants;
4. Collection of specially selected 'seed-bearing soil' from Jaisalmer, Barmer etc. for habitat enrichment;
5. Broadcasting of seeds and special soil in the habitat at the start of every monsoon;
6. Marking of pits to be dug and filled for planting new shrubs, trees;
7. Providing and specifying soil mixes (of different kinds) for filling in planting pits;
8. Devising and experimentation with rhizobial plant growth substances and mycorrhizal propagules;
9. To provide all necessary native species of seedlings and saplings of desert plants;
10. To provide trained & dedicated team of Maalis (gardeners) and a Supervisor to carryout Rewilding Work.
11. Supervision and expertise in setting up a small 'holding nursery' for plants inside IIT Jodhpur Campus.
12. Devising low-cost plant protection strategies for newly planted seedlings.
13. Supervision of site clearance and settling work in the landscape.
Kindly refer Appendix C for detailed scope of work and related payments and deliverables.

3. General

The work relating to Rewilding Work Activities of IIT Jodhpur at its Permanent Campus (Karwar) is proposed to be organized through reputed agencies using mechanized equipment, gadgets and trained manpower. The work is required to be carried out in staged manner as mentioned in the subsequent para of the document. Payment of work would be done stage-wise and would be done on completion of each stage as mentioned in the subsequent paras and verification by the Institute. The Bidder should see the site and fully understand the conditions of the site before Biding and include all leads, lift etc. The vendor must carefully read and understand the scope and deliverables as mentioned in the subsequent paras of the tendr

document and accordingly quote for the work. Bidder should put seal and signature on each page of the bid documents.

4. Time of completion:

01 (One) Year from the date of issue of work order. However, 30 days for mobilization of resources may additionally be considered to start the work.

5. Pre-Qualification Criteria

The Bidder should have executed or have a Team of resource persons who have at least 3 years' experience of managing a public park of desert flora of minimum size 20 hectares. In case of firms/societies the experience of its director/member shall be counted as experience of the firm/societies. The Bidder will need to show evidence of having carried out or of its resource persons managing the following kinds of work in at least one financial year of the last five financial years.

S. No.	Item	Quantity
1	Created / Managed a Restored Native Plant Biodiversity Park in the Arid or Semi-Arid Regions of the Thar Desert in Punjab, Rajasthan or Gujarat.	Size of Restored Park or site should not be less than 20 hectares in extent
2	Operation of a native plants Nursery devoted primarily to the raising of Arid/Semi-arid plants from the Thar Desert	At least 70 species of desert plants with accompanying list of species raised

Bidders should have following **eligibility criteria**: -

- (i) **EPF & ESI Registration** - The bidder should have valid registration with EPF and ESI authorities. It should have EPF code and should comply with labour laws / guidelines issued by the Government from time to time. If the bidder is exempted then it should submit EPF and ESI exemption certificates. All relevant documents should be submitted along with tender;
- (ii) **Work Experience**- The bidder should have at least Three (03) years' experience in Rewilding work or similar nature of work as defined in scope of work and must have worked with any Central / State Government Organization / PSU / Public Listed Company. Relevant experience certificate / satisfactory work completion certificate(s) from his existing or immediate past clients should be attached with Tender documents;
- (iii) **Average Turn Over (ATR)** - The bidder should submit the copies of Average Turn Over in Rewilding works Services of last three financial years (2018-19, 2019-20 and 2020-21) which should not be less than Rs. 10,00,000/- (Rupees Ten Lakhs Only). The bidder should submit CA certified documents for the above mentioned turnover;
- (iv) **Past Experience of Similar Services** - The bidder must have successfully executed / completed at least one single order of at least 80 % of the Estimated Bid Value or 2 orders each of at least 50 % of the Estimated Bid Value or 3 orders each of at least 40 % of the Estimated Bid Value for similar service(s) in last three years to any Central / State Government Organization / PSU / Public Listed Company. Copies of contracts / work orders along with documentary evidence of successful execution / completion in support of Past Experience of Similar Services from the client(s) giving names, address and contact details of clients shall be submitted with the bid for verification by the Buyer; and
- (v) Any further information as mentioned in Appendix 'A' (Technical details of Applicant) should be provided by the bidder as per the format and supported by relevant

documents.

- (vi) The Bidder should enclose evidence in the form of experience certificate issued by authorized person of the client/authorities to back up all claims in support of the above requirements.
- (viii) The Bidder or its Team members/Resource persons should have executed/managed work as prescribed above in the last 03 (Three) Financial years (including the current year, if opted by the bidder) of a cumulative value not less than 30% of the estimated cost of the work (Bid Cost) updated to present price levels.

6. Bid Security Declaration :

Bidder is required to submit bid security declaration as per Annexure-D.

7. Litigation History:-

Bidders/Resource persons should provide accurate information on any litigation or arbitration resulting from contracts completed or under execution by him over the last three years. The max value (updated at the present price level) of Disputed Amount claimed in Litigation/Arbitration resulting from contracts executed in last three (03) years shall be furnished.

8. Rejection of bids:

- (i) The Institute reserves the right to reject any Bid or to disqualify any or all the Bidders, without assigning any reasons at any stage.
- (ii) If a Bid is not accompanied by the requisite documents mentioned at Annexure A in the tender or without Bid security declaration will render the Bid liable to rejection.
- (iii) Furnishing of incorrect or incomplete information or concealment of any information required in the Bid Documents will render the Bid liable to rejection.

Special conditions

1. **Arrangement`s for Water Supply** - The arrangement of water for irrigation would be done by the vendor at its own cost. No separate payment would be made for the same.
2. **Tools and Implements** - The Bidder should have at its disposal a full complement of tools needed for Rewilding work such as spades, Khurpas, Gaintis, watering cans, brooms, etc. procured and replaced, when necessary, at the Bidder's own expense.
3. **Inspection and payment** - Work done by the Bidder will be entered in an appropriate Book/Register that can be checked regularly. Any shortcoming or problems should be noted in such Registers. IIT Jodhpur officials will have all the rights to visit the work area at any time during the entire tenure of work. The payment by IIT Jodhpur for horticulture work done will be made on the basis of these Registers on achieving the stage of work as mentioned in subsequent paras of tender documents. In the event of any shortcoming in the work to be done, necessary deductions will be made in the payment on pro-rata basis.
4. **Cleanliness** - The vendor should take extreme care not to spread the poly bags of plants after plantation and must ensure disposing-off them properly at their own cost out of the IIT Jodhpur Campus. Any waste generated during the execution of work should be disposed of by the vendor outside the IIT Jodhpur Campus at its own cost. No additional payment would be made for the same. If any lapses is found suitable penalty clause will be imposed by the Institute
5. **Damage to plants and trees** - In case of any damage/destruction to any plant due to the carelessness of the Bidder, the Bidder will have to replace the damaged plant with another plant of the same species at its own cost as early as possible. There will be no compensation for this work by IIT Jodhpur.
6. **Change in Area of work** - During the tenure of the Contract, the IIT Jodhpur may at its discretion increase or lessen the area of the work, for which the payment to the bidder for

the work will be adjusted in direct proportion to the increase or reduction of the area.

7. **Complaints** - The Bidder must maintain a Complaints and Suggestions Book where officials of IIT Jodhpur can make suggestions or register complaints. The Bidder must try and resolve any issues that require rectification at the soonest and ideally within a period of 7 days.

8. Arbitration

In case of any dispute or difference between the Parties, they shall endeavor to resolve such dispute or difference in an amicable manner through mutual discussions. If no settlement can be reached through consultations between the Parties within 30 business days of one Party delivering a written notice of the dispute to the other Party, then such matter may be referred to arbitration by the disputing party to be settled by arbitration in accordance with the provisions of the Indian Arbitration and Conciliation Act, 1996 (the "Act"). The Parties agree with respect to such arbitration that:

i. The arbitration proceedings shall be conducted in English and the place of arbitration shall be Jodhpur;

ii. If the Parties fail to appoint a single arbitrator acceptable to both the Parties, there shall be three (3) arbitrators, One (1) arbitrator shall be appointed by each Party and the third shall be appointed by the other two (2) arbitrators and shall serve as the presiding arbitrator of the arbitral tribunal. The fees of the third arbitrator shall be shared equally between the parties; and

iii. Subject to the provisions of the Act the arbitration award shall be binding on the Parties, and enforceable in accordance with its terms. The arbitrators shall state the specific reasons for their findings in writing. The Parties agree to be bound thereby and to act accordingly.

iv. In case of disputes Jurisdiction area will be Jodhpur, Rajasthan.

9. **Disputes** - In the event of any dispute regarding the meaning or interpretation of terms and conditions in the Tender Bid document, the decision of IIT Jodhpur will be final.

10. **Cancellation** - The Institute reserves the right of cancelling the Tender Bid without assigning any reason

11. **Accidents** - During the pendency of work, if there is an accident or any matter concerning the safety of workers or any legal matter, provident fund matter, etc. that invites the attention of the Workers' Laws, the Bidder will be solely responsible.

12. Plants planted in the earmarked area during the project period, as per inventory enclosed, shall be replaced by the plants of same species and same specification in case of plant casualties.

13. Existing trees/shrubs inside the institute campus area shall not be removed without the prior written permission from the Officer in-charge, as appointed by IIT Jodhpur.

14. Any untoward incident should be reported by bidder agency in written to the Officer in-charge as early as possible.

15. Penalty provisions:-

Suitable penalty will be imposed if the vendor fails to perform their duties properly and as per the terms and conditions laid in the tender document as assessed by the Institute.

16. Termination of the Contract:

This contract will be withdrawn and terminated immediately if:

- (i) The firm becomes insolvent, bankrupt etc.
- (ii) In case of an individual/the firm become bankrupt, mentally incapacitated, dies, is incapacitated through illness for more than thirty days or is convicted of a crime punishable by imprisonment.
- (iii) The firm has a change in control (being change in any person who directly or indirectly exercise control over the firm), which the department reasonable believe would negatively affect the firm's ability to comply with the contract.
- (iv) The firm commits a serious or material breach of the contract, which is not capable of remedy.

- (v) The firm behave in a way that the institute as unacceptable, or may be departmental to the reputation of the institute if it continued its contract with the firm; or
- (vi) If there is any breach/violation of the contract by the firm.
- (vii) If the performance of the firm is not found satisfactory during the contract period.

17. Presentation of Bills:

- (i) The work is required to be carried out in staged manner as mentioned in the subsequent para of the document. Payment of stage would be done on completion of each stage as mentioned in the subsequent paras and verification by the Institute.
- (ii) The Bidder is solely responsible for paying all taxes and CGST/GST, sales tax and any other levies enforce according to prevailing laws.

18. Compliance with the Code of Integrity and No Conflict of Interest

Any person participating in a procurement process shall-

- i. Not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process;
- ii. Not misrepresent or omit that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation;
- iii. Not indulge in any collusion, Bid rigging or anticompetitive behavior to impair the transparency, fairness and progress of the procurement process;
- iv. Not misuse any information shared between the procuring entity and the bidders with an intent to gain unfair advantage in the procurement process;
- v. Not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process;
- vi. Not obstruct any investigation or audit of a procurement process;
- vii. Disclose conflict of interest, if any; and
- viii. Disclose any previous transgressions with any entity in India or any other country during the last three years or any debarment by any other procuring entity.

Other special conditions

1. The contractor shall follow the contractor labour regulation and abolition Act 1970 & Rule 1971.
2. The IITJ shall have right to cause an audit technical examination of the work and the final bills of the contractor including all supporting vouchers, abstract etc.
3. The rate quoted by the contractor shall remain valid for a period of 3(three) months from the date of opening of the tenders.
4. No conditions are to be added by the contractor and conditional tender is liable to be rejected.
5. The Institute reserves the right to reject any or all tenders without given any reasons.
6. Performance security shall be 3 % of the amount of work order which shall remain valid for a period of 60 days beyond the date of completion of all contractual obligation of the bidder including warranty obligation and maintenance and object liability period. The performance security shall be submitted within 14 days of issue of work order.

Annexure C- Scope of Work with related payment and deliverables for Rewilding

IIT Jodhpur, Karwar village on NH-62 (approximately 25 km from Jodhpur) requires services from an established agency having experience in Rewilding Works. The work relating to Rewilding activities of IIT Jodhpur, Karwar is proposed to be executed through reputed agencies using mechanized equipment, gadgets and trained manpower.

Scope of Work with related payment and deliverables for Rewilding 20 hectares of Land at IIT Jodhpur

The following table enlists scope, activities and deliverables for carrying out a successful 'Rewilding' exercise on 20 hectares of land inside IIT Jodhpur campus.

S. No.	Stages of Payment	Activity	Description	Deliverable(s)	Percentage
1	Stage I	Removal of unwanted plant species	Uprooting unwanted/troublesome/ invasive species like Xanthium strumarium, Pupalia lappaceae, Parthenium etc.	Removing undesired plant species from 20 hectares without disturbing other aspects of the landscape, for example, the existing vegetation, the lie of the land etc.	25% of the quoted fees
		Invasive Alien Species eradication	Clearing the land entirely of invasive trees and shrubs like Prosopis juliflora, Acacia tortilis etc.	Removing all undesired plant species from 20 hectares without disturbing other aspects of the landscape, for example, the existing vegetation, the lie of the land etc.	
		Seed-bearing soil	Collecting seed-bearing soil of different kinds from various places in the Thar Desert (list attached as Annexure 3)	Collecting seed-bearing soil as per quantities mentioned in Annexure 3 and transporting it from different sites back to IIT Jodhpur.	
		Seed collection	Collecting seeds of the main suite of plants (list attached as Annexure 2) from their natural habitats in the desert	Collecting seeds as per quantities mentioned in Annexure 2	
		Site clearance	Clearing the site of unwanted debris and waste material that don't belong to the habitat	Clearing rubble, debris, rocks, soil mounds etc. from 20 hectares	
		Pit digging	Digging pits in 'mudd' soil for trees: • Digging 450 pits for trees 2.5 ft. deep and 2 ft.	Digging 450 pits - by skilled labourers who know how to work 'mudd' soil - at carefully chosen spots within the	

			in diameter	landscape under close supervision.	
		Preparing soil mix	Preparing 3,500 cu. ft. of soil mixture to fill pits, made up of: <ul style="list-style-type: none"> • 50% bekalu sand • 30% 'mudd' soil • 20% FYM • small amounts of PGPR and mycorrhiza propogules 	Preparing 3,500 cu. ft. of soil mix to fill 450 pits	
			*Some pits (~20%) will have different proportions of sand, FYM and clay to learn how different plants respond to different soil mixtures and to arrive at an ideal mix for each plant.		
		Pit filling and marking	Transporting the soil mix to the pits, filling up the pits and marking each pit with data (pit depth and soil mix type)	Filling 450 pits and marking each pit with relevant data	
2	Stage 2	Pit digging	Digging pits in 'mudd' soil for planting trees and shrubs: <ul style="list-style-type: none"> • Digging 300 pits for trees 2.5 ft. deep and 2 ft. in diameter • Digging 1500 pits for shrubs 1.5 ft. deep and 1 ft. in diameter 	Digging 1800 pits - by skilled labourers who know how to work 'mudd' soil - at carefully chosen spots within the landscape under close supervision.	25% of the quoted fees
		Preparing soil mix	Preparing 6,500 cu. ft. of soil mixture to fill pits, made up of: <ul style="list-style-type: none"> • 50% bekalu sand • 30% 'mudd' soil • 20% FYM • small amounts of PGPR and mycorrhiza propogules *Some pits (~20%) will have different proportions of sand,	Preparing 6,500 cu. ft. of soil mix to fill 3800 pits	

			FYM and clay to learn how different plants respond to different soil mixtures and to arrive at an ideal mix for each plant.		
		Pit filling and marking	Transporting soil mix to the pits, filling up the pits and marking each pit with data (pit depth and soil mix type)	Filling 1800 pits and marking each pit with relevant data	
3	Stage 3	Procurement of plants	Procuring plants (list attached as Annexure 1) and establishing a holding nursery on site	<ul style="list-style-type: none"> • Procuring and transporting 4250 plants to site from nurseries in Jodhpur. • Establishing a holding nursery of size 1200 sq. ft. with a shade net over the entire area and protective netting around the nursery. • Keeping the plants in an orderly fashion with labels • Creating a facility for irrigating the plants 	25% of the quoted fees
		Pit digging	Digging pits in 'mudd' soil for planting trees and shrubs: <ul style="list-style-type: none"> • Digging 2000 pits for shrubs 1.5 ft. deep and 1 ft. in diameter 	Digging 2000 pits - by skilled labourers who know how to work 'mudd' soil - at carefully chosen spots within the landscape under close supervision.	
		Pit filling and marking	Transporting soil mix to the pits, filling up the pits and marking each pit with data (pit depth and soil mix type)	Filling 2000 pits and marking each pit with relevant data	
		Planting out	Planting in pits**	Planting 4250 saplings/seedlings	
		Plant protection	Protecting newly planted plants from browsing/grazing and being trampled, by creating protective structures with suitable	Making and installing 1900 tree/plants protective structure	

			ecofriendly material		
		Seed broadcasting	Broadcasting seeds of the main suite of plants (list attached as Annexure 2)	Broadcasting seeds in carefully chosen places under supervision	
		Spreading seed-bearing soil	spreading the collected seed-bearing soil in 20 hectares	Spreading seed-bearing soil in carefully selected patches within 20 hectares under supervision	
		Removal of unwanted plant species	Uprooting unwanted/troublesome/invasive species like Cenchrus biflorus, Achyranthes aspera.	Removing all undesired plant species from 20 hectares without disturbing other aspects of the landscape, for example, the existing vegetation, the lie of the land etc.	
4	Stage 4	Establishment of newly-planted plants	Irrigation* in the initial stages, and weaning the plants of irrigation within 4-5 months of planting, weeding and after care	Hardening of plants to survive without irrigation	15% of the quoted fees (At the end of 12 months from the date of issue of work order or on successful completion of Stage 4 Activity whichever is later)
		Removal of unwanted plant species	Uprooting unwanted/troublesome/invasive species like Cenchrus biflorus, Achyranthes aspera.	Removing all undesired plant species from 20 hectares without disturbing other aspects of the landscape, for example, the existing vegetation, the lie of the land etc.	
		Plant protection	Protecting newly planted plants from browsing/grazing and being trampled, by creating protective structures with suitable ecofriendly material	Making and installing 2350 tree/plants protective structure	
5	Stage 5				10% of the quoted fees (03 months beyond the successful completion of the stage 04 to the complete satisfaction of IIT Jodhpur)

The Bidding agency's bid figures should include all aspects of project work, including:

- All deliverables mentioned in Table 1 with leads and ancillary costs.
- All aspects of design, planning and consultancy.
- Complete Project execution.

d. Administrative costs, overheads and miscellaneous expenses

- Note-**
- 1) * The arrangement of water for irrigation would be done by the vendor at its own cost. No separate payment would be made.
 - 2) ** The vendor should take extreme care not to spread the poly bags of plants after plantation and must ensure disposing of them properly. Any waste generated during the work should be disposed of by the vendor outside the IIT Jodhpur Campus at its own cost. If any lapses is found suitable penalty clause will be imposed by the Institute.
 - 3) Payment against the stage mentioned in scope will be done on the completion of each stage and verification by the Institute.
 - 4) **The successful bidder has to submit the month wise work schedule/ plan to be carried out for the entire duration of the project/ contract i.e. 12 months from the date of issue of Work Order.**

Bid Security Declaration

I/we certify that If I/we withdraw or modify our bids during the period of validity, or if awarded the contract to us and I/we fails to sign the contract, or to submit a performance security before the deadline defined in the request for bids document, I/we will be suspended for the period of time specified by the Institute from being eligible to submit Bids for contracts with the entity that invited the Bids.

**Signature of Bidder With
Seal wherever applicable**

ANNEXURE- E

(To be given on Non-Judicial stamp

Paper of Rs. 50/- only, duly attested by Notary Public)
