Admission to M.Tech in Augmented Reality and Virtual Reality (AR & VR) Part-time project sponsored

School of AI and Data Science, IIT Jodhpur in collaboration with TIH iHub Drishti Foundation, IIT Jodhpur invites applications for admission to the **part-time M.Tech in Augmented Reality and Virtual Reality (AR & VR)** for the Semester commencing in session 2022-23. Augmented Reality and Virtual Reality has been emerging as a core technology with a significant impact on productivity. To cater to the immediate requirement of working manpower trained in emerging AR & VR technologies, IIT Jodhpur & TIH iHub Drishti Foundation, IIT Jodhpur offers a part-time M.Tech. in Augmented Reality and Virtual Reality. It is designed to enable candidates working full time for the internal projects of IIT Jodhpur to pursue M.Tech in AR-VR Technologies. The minimum duration of the programme will be three academic years. The student can register only for a limited number of credits as compared to a full-time regular student. The school will process the applications ONLY if such a position is available. The programme will be conducted by faculties from different IITs and Industry experts.

Eligibility Criteria and Admission Process:

▪ **Qualifying Degree:**

B.E./ B.Tech. in any discipline.

▪ **Eligibility:**

A minimum of 60% marks for GEN/OBC (55% for SC/ST/PD) category in aggregate or as specified by the university/institute or a minimum CGPA of 6.0 for GEN/OBC (5.5 for SC/ST/PD) category on the scale of 10; with corresponding proportional requirements when the scales are other than on 10 (for example 4.8 for GEN/OBC category (4.4 for SC/ST/PD) on a scale of 8) or a first-class as specified by the university/institute.

▪ **Selection Procedure:**

Candidates must fill an online application at https://oa.iitj.ac.in/OA_PG_ADMISSION/ Selection will be based on programming and/or written test and/or interview and/or any other criteria deemed suitable by the admission committee. Prior research exposure and/or industry experience in areas related to AR & VR will be considered a plus. The school reserves the right to set any cut off criteria for shortlisting the candidates. Mere fulfillment of the eligibility criteria does not guarantee that the

candidate will be shortlisted, as the shortlisting criteria are often stricter than the eligibility criteria.

- **Program Fee:**

The fee structure will be as per the revised M. Tech. Fee structure for 2022-2023 session. For updates, please visit

<https://iitj.ac.in/academics/mtech.php?id=Fee>

Features of the Program:

- Impart in-depth knowledge and analytical and experimental research skills to solve AR & VR systems problems
- Provide knowledge of several tools for the design and modeling of AR & VR applications and immersive experiences
- Develop the ability to cultivate technological solutions for addressing growing demands of AR & VR systems

- **Credit Requirement**

- Students need to earn 60 credits as per the course structure in order to qualify for the degree over a minimum period of 3 years.

Admission Timeline:

- May 15, 2022: Commencement of online application process.
- June 6, 2022: Last date for submitting online applications
- June 10, 2022: Announcement of the shortlisted candidates
- June 25, 2022: Written-test/Interview
- June 30, 2022 : Announcement of results

Fee, registration and commencement of classes as per Institute calendar

Application Procedure

Applicants are requested to use the following link to fill and submit the application form online: https://oa.iitj.ac.in/OA_PG_ADMISSION. This online link will become active from May 10, 2022. Applicants are required to pay the processing fee of Rs. 300 online while submitting the application form. The application fees are non-refundable.

Cancellation of admission

The Institute reserves the right to cancel, at any stage, the admission of a candidate admitted to a program and is later found that he/she is not entitled, being unqualified or ineligible in accordance with the Regulations in vogue, or suspension/termination of program. In case of cancellation/ or withdrawal of admission after registration from the program, refund of fee will not be permissible.
